- c. In the case of a vacation of a street, alley or other right-of-way, the abutting zoning classification on either side shall be automatically extended to the centerline of said vacated property.

d. Where boundaries appear to approximately follow aforesaid lines and are not more than ten (10) feet distant from such lines they shall be interpreted to be the boundary unless specifically shown otherwise.

102 The Zoning Map or any Zoning Map amendment shall be prepared by authority of the Township Zoning Commission or the Township Trustees. The map or amendment shall be dated with the effective date of the Resolution that adopts the map or amendment.

2. The members of the Board shall serve the same length of terms, and appointments should be staggered in the same manner as provided for the Township Zoning Commission in Section 6. The Board of Township Trustees may remove a member for cause, after a public hearing in accordance with the provisions of Section 519.04 of the Ohio Revised Code. Vacancies shall be filled for the unexpired term of any member whose place becomes vacant.

1. The Board shall by majority vote of its members elect a Chairman, a Vice-Chairman and Secretary who shall occupy such offices until their successors are duly elected at the next annual meeting of the Board.
2. If any member of the Board is absent for four (4) consecutive meetings, he may be considered, at the option of the Chairman, to have resigned, and the Chairman may request the Board of Township Trustees to appoint a replacement.
3. All meetings of the Board shall be open to the public.
4. Meetings of the Board shall be at the call of the Chairman and at such times as the Board may determine. The Board shall keep minutes of all meetings showing the proceedings, the vote of each member upon each question, or if absent or failing to vote, indicating such fact and shall keep records of its examinations and other official actions, all of which shall be immediately filed in the Board Office and be a public record.
5. The Board shall require a quorum of three (3) members at all meetings, and the concurring vote of three (3) members shall be required to effect any decision of the Board.
6. The Board may, within the limits of the moneys appropriated by the Board of Township Trustees for the purpose, employ such executives, professional, technical, and other assistants as it deems necessary.

1. Appeals: To hear and decide appeals where it is alleged there is an error in any interpretation, order, requirement, decision or determination by the enforcement of the provisions of this Resolution.
2. Variances: To authorize upon appeal, where, by reason of exceptional narrowness, shallowness or shape or exceptional topographic conditions or other extraordinary situations or conditions of a lot, the strict application of the terms of this Zoning Resolution would result in peculiar and exceptional difficulties or undue hardship upon the owner thereof, to authorize a variance from such strict application to relieve such difficulties or hardships, providing such relief may be granted without substantially impairing the intent of this Resolution, and provided that no variance shall be granted unless the Board finds that all of the following conditions exist:
 - a. The strict application of the provisions of the Resolution would result in practical difficulties or unnecessary hardship inconsistent with the general purpose and the intent of this Resolution.
 - b. There are exceptional or extraordinary circumstances or conditions applying to the property involved or to the intended use or development of the property that do not apply generally to other properties or uses in the same zoning district or neighborhood.
 - c. The granting of such variance will not be of substantial detriment to the public interest or to the property or improvements in the district in which the variance is sought, and will not materially impair the purpose of this Resolution.

In granting a variance the Board of Zoning Appeals may impose such conditions as it may deem necessary to protect the public health and safety and to further the purpose and intent of this Zoning Resolution. These conditions shall be made a part of and be attached to the Zoning Permit which is required for a variance.

3. Conditional Uses: To hear and decide all Conditional Uses that are specifically listed within the various Districts; and to grant Conditional Use Zoning Certificates for the use of land, buildings or other structures as provided for in this Resolution. Conditional Uses, although often desirable, will more intensely affect the surrounding area in which they are located than the Permitted Uses of such Districts. Since this is the case, the Board shall approve an application for a Conditional Use only when the following conditions are met:

- a. The Conditional Use is specifically listed or interpreted as listed in the District in question.
- b. The Conditional Use is in general accord with the Ashland County Optimum Land Use Plan.
- c. The proposed development will be in keeping with the existing land use character and physical development potential of the area and will not have undesirable effects on the surrounding area.

In granting a Conditional Use the Board may impose such conditions as it may deem necessary to protect the public health and safety and to further the purpose and intent of this Resolution.

4. Exception: The Board of Zoning Appeals shall have the authority to grant exceptions. An exception is a use permitted only after review of an application by the Board of Zoning Appeals, such review being necessary because of the provisions of this Zoning Resolution covering conditions, precedent or subsequent, are not precise enough to cover all applications without the Board of Zoning Appeals' interpretation. Request for an exception may be requested by the applicant or by the Zoning Inspector.
5. Fees: Fees as established by the Board of Trustees shall be paid upon the filing of any request for a variance, conditional use or exception. Said fees shall be paid to the Board of Trustees and shall not be refunded unless the applicant removes such request prior to any advertising. In addition, the fee shall not be refunded if the request is denied. If the request is approved, the fee shall cover the fee of the Zoning Permits required for a variance or conditional use.

703 Procedures

1. Meetings: Meetings of the Board shall be at the call of the Chairman and at such other times as the Board may determine. The Chairman, or in his absence the Acting Chairman, may administer oaths, and the Board meetings shall be open to the public.
