ZONING RESOLUTION FOR OSNABURG TOWNSHIP

STARK COUNTY, OHIO

WHEREAS, the Board of Trustees of Osnaburg Township, Stark County, Ohio, has deemed it advisable to promote the public health, safety, and general welfare for the residents of said township; and,

WHEREAS, a zoning resolution for the building and land use within the unincorporated territory of the township was adopted in 1961, in accordance with Section 519.10 and related sections of the Ohio Revised Code; and,

WHEREAS, five (5) persons have been duly appointed by the Board of Trustees of Osnaburg Township to serve as a Zoning Commission for said Township; and,

WHEREAS, said Zoning Commission has recommended the complete revision of the Osnaburg Township Zoning Resolution and Official Zoning Map, and have submitted such amendments and map to the Board of Trustees of Osnaburg Township under the authority and in accordance with the provisions of Section 519.12 of the Ohio Revised Code on May 19, 2008.

THEREFORE, the Board of Trustees of Osnaburg Township did adopt the amendments to the Zoning Resolution and map on June 23, 2008, under the authority and in accordance with the provisions of the Ohio Revised Code, and said amendments became effective on July 23, 2008.

ARTICLE I

PURPOSE AND CONFORMANCE

SECTION 100 PURPOSE

This Resolution is enacted in accordance with the Ohio Revised Code, Section 519.01, et seq.

Ohio Revised Code, Section 519.02, Township Trustees may regulate building and land use in unincorporated territory for public purpose. For the purpose of promoting the public health, and safety, the board of township trustees may, in accordance with a comprehensive plan, regulate by resolution the location, height, bulk, number of stories, and size of buildings and other structures, including tents, cabins, and trailer coaches, percentages of lot areas which may be occupied, setback building lines, sizes of yards, courts, and other open spaces, the density of population, the uses of buildings and other structures, including tents, cabins, and trailer coaches, and the uses of land for trade, industry, residence, recreation, or other purposes in the unincorporated territory of such township, and for such purposes may divide all or any part of the unincorporated territory of the township into districts or zones of such number, shape, and area as the board determines. All such regulations shall be uniform for each class or kind of building or other structure or use throughout any district or zone, but the regulations in one district or zone may differ from those in other districts or zones.

SECTION 110 CONFORMANCE

Ohio Revised Code, Section 519.23 Prohibition against violating resolution. No building shall be located, erected, constructed, reconstructed, enlarged, changed, maintained, or used, and no land shall be used in violation of any resolution, or amendment or supplement to such resolution, adopted by any board of township trustees under Sections 519.02 to 519.25, inclusive, of the Ohio Revised Code. Each day's continuation of a violation of this section may be deemed a separate offense.

ARTICLE II

TITLE

This Resolution shall be known as and shall be cited and referred to as the "Osnaburg Township, Stark County, Ohio, Zoning Resolution."

ARTICLE III

INTERPRETATION OF STANDARDS AND EXEMPTIONS AND LIMITATIONS

SECTION 300 INTERPRETATION OF STANDARDS

In their interpretation and application, the provisions of this Resolution shall be held to be minimum requirements. Where this Resolution imposes a greater restriction than is imposed by other provisions of law, or by other rules or regulations or resolutions, the provisions of this Resolution shall control.

SECTION 310 USES EXEMPT OR LIMITED FROM TOWNSHIP CONTROL

SECTION 310.1 AGRICULTURE

Land used for agriculture, as defined by Ohio Revised Code Section 519.01 and any amendment made thereto, will be exempt from zoning only to the extent set forth under Ohio Revised Code Section 519.21, and any amendments made thereto. Additionally, any parcel of land subject to subdivision (B) of Ohio Revised Code Section 519.21 will be subject to the regulations contained herein.

A. Agricultural Uses

As authorized in ORC 519.21, the following provisions are established to regulate the use of land for agricultural purposes on small parcels. The use of land five (5) acres or greater, when used for agricultural purposes, is exempt from these provisions.

1. On lots of (1) one acre or less:
 - a. Agriculture is a conditionally permitted use in residential districts.
 - b. A minimum setback of fifty (50) feet from all lot lines is required for all buildings, and pasture/feeding/storing areas for agriculture animals.
 - c. Growing areas for crops, trees or other plants are subject to the setback requirements of the district in which the use is located; and
 - d. All buildings and/or structures are subject to the size and height requirements applicable to the district in which the use is located.
2. On lots greater than one (1) acre but less than five (5) acres:
 - a. All buildings or structures incidental to the use of land for agricultural purposes shall comply with the required building setback lines, height and size regulations for an accessory structure applicable to the district in which the use is located.
 - b. All buildings, yards, or other confinements for animals must be located at least one hundred (100) feet from any building used for

- human habitation or occupancy, other than the residence of the owner, manager, or caretaker of the animals.
3. A pasture/feeding/storing area that is provided for agricultural animals shall be completely surrounded by a fence in accordance with this Zoning Resolution.
 4. For the purpose of this Section, an agricultural animal is a domestic animal, including but not limited to a horse, cow, llama, goat, hog, mink, fowl, dog or cat.
 5. Notwithstanding (4) above, the keeping of a kennel, whether harbored for agricultural or other purpose, is prohibited in a residential district on a lot of one (1) acre or less.
- B. Farm Market, Roadside Stand
1. Any temporary stand or vehicle used for the purpose of selling seasonal agricultural products may be placed on the property by the owner or tenant of the property in any district, provided that the stand or structure is located a minimum of:
 - a. Ten (10) feet from the rear lot line;
 - b. Ten (10) feet from the side lot line;
 - c. Twenty (20) feet from the road right of way line;
 - d. Ten (10) feet from the principal building on the property.
 2. The temporary stand or structure shall not exceed eighteen (18) feet in height.
 3. All farm markets or roadside stands shall provide a minimum of four (4) parking spaces on the lot and not in the public right-of-way.

SECTION 310.2 PUBLIC UTILITIES AND RAILROADS

Public Utilities will be governed in accordance with Ohio Revised Code, Section 519.211 and any amendments made thereto.

SECTION 310.3 RETAIL ESTABLISHMENTS AND ALCOHOLIC BEVERAGES

Sections 519.02 to 519.25 of the Ohio Revised Code confer no power on any board of township trustees, township zoning commission, or board of zoning appeals to prohibit the sale or use of alcoholic beverages in areas where establishment and operation of any retail business, hotel, lunchroom, or restaurant is permitted.

SECTION 310.4 OIL AND GAS DRILLING

Such sections do not confer any power on any township zoning commission, board of township trustees, or board of zoning appeals to prohibit the use of any land owned or leased by an industrial firm for natural gas well drilling, or production activities, or the location of conduct of oil associated facilities, or equipment when such oil or natural gas obtained by the industrial firm is used for the operation of its own plants. Ohio Revised Code Section 519.21

Section 1509.39 of the Ohio Revised Code, as enacted July 25, 1980, permits the adoption of health and safety standards which are not less restrictive than the provisions of the Ohio Revised Code or any rules adopted there under by the Division of Oil and Gas; however, this section prohibits township enforcement or

requirement of permits for such oil and gas well operations except for the permit provided for in Section 4513.34 of the Ohio Revised Code, concerning overweight vehicles.

SECTION 310.5 OUTDOOR ADVERTISING

Outdoor advertising classified as business use. For the purpose of Sections 519.02 to 519.25, inclusive, of the Ohio Revised Code, outdoor advertising shall be classified as a business use and be permitted in all districts zoned for industry, business, or trade, or lands used for agricultural purposes.

SECTION 310.6 SUBMISSION TO THE DIRECTOR OF TRANSPORTATION

Before any zoning permit is issued affecting any land within three hundred (300) feet of the centerline of a proposed new highway or a highway for which changes are proposed as described in the certification to local officials by the Director of Transportation, or any land within a radius of five hundred (500) feet from the point of intersection of said centerline with any public road or highway, the Zoning Inspector shall give notice, by registered mail, to the Director of Transportation, and he shall not issue a zoning permit for one hundred twenty (120) days from the date the notice is received by the office. If notified that the state is proceeding to acquire the land needed, then a zoning permit shall not be issued. If notified that acquisition at this time is not in the public interest or upon the expiration of the one hundred twenty (120) day period or any agreed upon extension thereof, a permit shall be granted if the application is in conformance with all provisions of this Resolution. Ohio Revised Code Section 5511.01

SECTION 310.7 LICENSED FAMILY HOMES AND LICENSED GROUP HOMES FOR DEVELOPMENTALLY DISABLED PERSONS

Such facilities are limited from zoning control under Section 5123.19, Ohio Revised Code. However, zoning permits shall be required and such facilities will be regulated by this Resolution in addition to other laws of the State of Ohio.

SECTION 310.8 ABANDONED CELLULAR COMMUNICATION TOWER

Notwithstanding any other section of the Resolution, no property owner may maintain upon his property an abandoned cellular communication tower as defined in ARTICLE IV DEFINITIONS.

SECTION 310.9 FAMILY/CHILD HOMES AND CENTERS

Such Facilities are limited from zoning control under Section 5104.054, ORC. Any Type "B" family home, whether or not certified by the County Director of Human Services, shall be considered to be a residential use of property and shall be a permitted use in all zoning districts in which residential uses are permitted and no conditional use permit or other special exception certification for such type "B" family home shall be required. However, the provider of children in a Type "B" family home that is not certified by the County Director of Human Services shall request an inspection of such home by the fire marshal in accordance with applicable state law. Evidence of licensing by the County Director of Human Services must be provided for operation of a child center of Type "A" family home.

TRAILER: See "Manufactured Home."

TRUSTEES: The Board of Trustees of Osnaburg Township, Stark County, Ohio.

USE: The purpose for which a building or premises is or may be occupied. In the classification of uses, a "use" may be a use as commonly understood or the name of an occupation, business, activity, or operation carried on, or intended to be carried on, in a building or on premises, or the name of a building, place, or thing which name indicates the use or intended use.

VARIANCE: A modification of the strict terms of the Resolution, where such modification will not be contrary to the public interest and owing to conditions of the property and not the result of actions by the owner, a strict enforcement of the regulations would result in an unnecessary and undue hardship.

VETERINARY HOSPITAL: A place used for care, grooming, diagnosis, and treatment of sick, ailing, or injured animals, including overnight accommodations and boarding, if incidental to the primary activity.

Wind Energy Conversion System (WECS) – A machine consisting of one wind turbine or windmill, one tower and associated control or conversion electronics which has a rated capacity of 60 – 150 kw and is intended to reduce on-site consumption of utility power. The turbine or windmill may be on a horizontal or vertical axis, rotor or propeller.

YARD: An open space on the same lot with a building, unoccupied and unobstructed by any portion of a structure from the ground upward, except as otherwise provided herein.

YARD, FRONT: A yard extending across the full width of a lot and being the perpendicular distance between the right-of-way line and the nearest portion of any building or structure existing or proposed for construction on said lot.

YARD, REAR: A yard extending across the full width of a lot between the side lot lines and being the perpendicular distance between the rear lot line and the nearest portions of any building or structure existing or proposed to be constructed on said lot. On corner lots the rear yard shall be considered as parallel to the street upon which the lot has its least dimension. In both corner lots and interior lots the rear yard shall be in all cases at the opposite end of the lot from the front yard.

YARD, SIDE: A yard between the nearest portion of any building or structure existing or proposed to be constructed on said lot and the side lines of the lot and extending from the front yard to the rear yard.

ZONING MAP: The "Zoning Districts" map of Osnaburg Township, Stark County, Ohio.

ZONING CERTIFICATE: Document issued by the Township Zoning Inspector authorizing the use of lots or structures in accordance with the Osnaburg Township Zoning Resolution.

ARTICLE V

DISTRICTS AND BOUNDARIES THEREOF

SECTION 501 ESTABLISHMENT OF DISTRICTS

The unincorporated territory of Osnaburg Township, Stark County, Ohio, is hereby divided into zone districts. All such regulations are uniform for each building, structure, or use within each zone district.

SECTION 501.1 DISTRICTS

- R-R Rural/Residential District
- R-1 Single Family Residential District
- R-2 One and Two-Family Residential District
- R-3 Low Density Multi-Family Residential District
- R-4 High Density Multi-Family Residential District
- R-5 Manufactured Home and Manufactured Home Park Residential District
- B-1 Suburban Office District
- B-2 Neighborhood Business District
- B-3 General Business District
- I-1 Light Industrial District
- I-2 General Industrial District

SECTION 501.2 ZONING DISTRICTS MAP

The boundaries of these districts are hereby established as shown on the Zoning Maps of the unincorporated area of Osnaburg Township, Stark County, Ohio, which maps are hereby made a part of this Resolution. The said "Zoning Maps" and all notations and reference and other matters shown thereon, shall be and are hereby made part of this Resolution. Said "Zoning Maps," properly attested, shall be and remain on file in the office of the Township Zoning Inspector and the office of the Osnaburg Township Trustees.

SECTION 501.3 INTERPRETATION OF DISTRICT BOUNDARIES

Where uncertainty exists with respect to the boundaries of any of the aforesaid districts as shown on the zoning map, the following rules shall apply:

- A. Where the Boundaries Approximately Follow Streets, Alleys, or Highways
Where district boundaries are indicated as approximately following the centerline or right-of-way line of streets, the centerline or alley line of alleys, or the centerline or right-of-way lines of highways, such lines shall be construed to be such district boundaries.
- B. Where Boundaries Parallel Street Right-of-Way Lines, Alley Lines, or Highway Right-of-Way Lines
Where district boundaries are so indicated that they are approximately parallel to the centerlines or right-of-way lines of streets, the centerlines or alley lines of alleys, or the centerlines or right-of-way lines of highways, such district boundaries shall be construed as being parallel thereto and at such distance there from as indicated on the map. If no distance is

given, such dimensions shall be determined by the use of the scale shown on said zoning map.

C. Vacation of Public Ways

Whenever any street or public way is vacated in the manner authorized by law the Zoning Districts adjoining each side of the street or public way shall be automatically extended to the center of such vacations, and all area included in the vacation shall thereafter be subject to all regulations of the extended Districts.

ARTICLE VI

GENERAL STANDARDS AND SPECIAL PROVISIONS

SECTION 601 CONFORMANCE REQUIRED

SECTION 601.01 PERMITTED USE

No building shall be erected, converted, enlarged, reconstructed, or structurally altered, nor shall any building or land be used in a manner which does not comply with all of the district provisions established by these regulations for the Districts in which the building or land is located. Uses which are omitted from these regulations, not being specifically permitted, shall be considered prohibited until by amendment; such uses are written into these regulations.

SECTION 601.2 COMPLIANCE WITH HEALTH, SAFETY, AND BUILDING AND SUBDIVISION REGULATIONS

A. Sewage Disposal

No zoning certificate shall be issued without evidence that the responsible health authority has approved the proposed sanitary sewage disposal facilities for the use for which the permit has been requested.

B. Highway Access

No zoning certificate shall be granted for any structure which has ingress or egress to a state highway until the owner of such property has secured a permit from the Ohio Department of Transportation, in accordance with regulations adopted by that department.

C. Building and Subdivision Regulations

All structures shall comply with the standards and requirements of the building regulations, adopted and administered by the Stark County Building Department or other certified authority having jurisdiction; and where applicable, the Subdivision Regulations, as adopted and administered by the Stark County **Regional Planning Commission and the Stark County Commissioners.**

D. **Storm water, Erosion and Sediment Control: Soil disturbing activities are subject to all applicable requirements of the Stark County Storm Water Quality Regulations, adopted by the Stark County Commissioners and administered by the Stark County Soil and Water Conservation District. When applicable, a National Pollution Discharge Elimination System (NPDES)**

permit shall be obtained before commencing any soil disturbing activities.

E. **Flood Hazard Prevention Regulations: Prior to any development in the 100 year flood plain, as delineated and regulated in accordance with Federal Emergency Management Agency (FEMA) requirements and the Stark County Flood Hazard Prevention Regulations, permits must be obtained from the Stark County Building Department.**

SECTION 601.3 ZONING CERTIFICATION REQUIRED

A zoning certificate shall be required for the use of all buildings, structures

and land in accordance with these regulations. Before any structure changes are made to any building or structure or before any land use or building use is changed, a new zoning certificate shall be required in order to assure compliance with these regulations.

SECTION 602 EXCEPTIONS AND MODIFICATIONS TO THESE REGULATIONS

SECTION 602.1 SUBSTANDARD LOTS

Any lot not meeting minimum area requirements and being a lot of record or lot for which a land contract has been issued before the effective date of these regulations shall not be issued a permit except upon approval of the Board of Zoning Appeals. Approval for such substandard lot shall be subject to the Stark County Board of Health approval.

SECTION 602.2 PERMITTED HEIGHT EXCEPTIONS

No structure shall exceed height limitations as specified in each district with the exception of the following accessory and incidental parts of such structure, which may be erected no more than fifteen (15) feet above the height limits of a district:

- structures for housing of elevators, stairways, tanks, ventilating fans, or similar equipment for operating and maintaining the building
- fire or parapet walls
- skylights, towers, steeples
- stage lofts and screens
- flagpoles, chimneys, smokestacks
- radio and television aerials, wireless masts
- water tanks or similar structures

Churches and temples may be erected to a height not to exceed seventy-five (75) feet if the building is set back from each lot line one (1) foot for each foot of additional building height in excess of the district limitation.

SECTION 602.3 PROJECTIONS INTO YARD AREA

Every part of a required yard shall be free from structures except for accessory buildings in a rear yard, as permitted in accordance with Section 602.4 and except for the ordinary projections of skylights, sills, cornices, and ornamental features projecting not to exceed twelve (12) inches. This requirement shall not prevent the construction of fences not exceeding six (6) feet in height except on that portion of lots within thirty (30) feet of the intersection of two (2) or more streets. The ordinary projections of chimneys or flues are permitted into the required side, rear, and front yards.

A paved terrace or patio may project into the front yard for a distance not to exceed ten (10) feet; however, shall remain open and unenclosed.

SECTION 602.4 ACCESSORY BUILDINGS, STRUCTURES AND USES

An accessory building attached to the principal building on a lot shall be made structurally a part thereof, and shall comply in all respects with requirements of these regulations applicable to the principal building.

Accessory buildings, structures, and uses which are not a part of the main building shall not be located closer than fifteen (15) feet from the main building, may be built within eight (8) feet of the rear lot and side lines, and must conform to the front yard building setback line. An accessory building which is not a part of the main building shall not occupy more than thirty (30) percent of the required rear yard nor shall they exceed a total of 1,000 sq. ft. Accessory buildings in residence districts shall be limited to fifteen (15) feet in height. An accessory building which is not part of the main building shall not occupy more than thirty (30) percent of the required rear yard nor shall it exceed a total of 1500 sq. ft. and shall be limited to eighteen (18) feet in height when the lot exceeds five (5) acres.

SECTION 602.5 FRONT YARD DEPTHS OR SETBACKS

Where front yard depths or setbacks have been established at less than forty (40) feet by permanent structures on adjoining properties, or on properties on the opposite side of the street, road, or highway, and where compliance with a forty (40) foot setback would cause a definite appearance or functional hardship, a front yard depth or setback may be permitted down to a minimum of twenty-five (25) feet.

SECTION 602.6 CORNER LOTS

Corner lots shall be required to meet minimum setback as indicated in each district.

SECTION 602.7 CONSTRUCTION OF USE WHEN PERMIT ISSUED PREVIOUSLY

Nothing contained in these regulations shall hinder the construction of a building or prohibit its use where a permit was previously issued and construction has started before the permit's expiration date, and provided further that such building shall be completed within one (1) year from the date of passage of these regulations.

SECTION 602.8 TEMPORARY BUILDINGS

Temporary buildings, including construction trailers, for uses incidental to construction work may be erected in any of the zone districts herein established; however, such temporary building or trailer shall be removed one (1) year from the date of the construction permit.

SECTION 602.9 FENCES, WALLS, AND HEDGES

Fences, walls, and hedges are permitted in any required yard, or along the edge of any yard, provided that no fence, wall, or hedge along the sides or front edge of any front yard shall be over three (3) feet in height and/or no closer than fifty (50) feet from the centerline of any roadway. Zoning permits will not be required for fences; however, the maximum height for side and rear yard fences shall be six (6) feet.

SECTION 602.10 SEWAGE FACILITIES

Where central sanitary sewage facilities are not available, the minimum lot size shall be twenty thousand (20,000) square feet for a single-family dwelling, unless a larger area is required by these regulations and/or the responsible Health Authority.

SECTION 602.11 ESSENTIAL SERVICES

Essential services as defined by these regulations shall be permitted as authorized under any franchise or that may be regulated by any law of the State of Ohio; it being the intention hereof to exempt such essential services from the application of these regulations.

SECTION 603 SUPPLEMENTARY REGULATIONS

SECTION 603.1 PRINCIPAL BUILDING

No more than one (1) principal building shall be permitted on any lot in any district unless otherwise specifically stated in these regulations, or as permitted in district regulations.

SECTION 603.2 REDUCTION OF LOT REQUIREMENTS

No space which, for the purpose of a building or land use, has been counted or calculated as part of a side yard, rear yard, front yard, or other open space required by these regulations may, by reason of change in ownership or otherwise, be counted or calculated to satisfy the yard or other area requirements for any other use or structure.

SECTION 603.3 VISIBILITY AT CORNER LOTS

No obstruction to view in excess of two (2) feet in height shall be placed on any corner lot within a triangular area formed by the street right-of-way lines and a line connecting them at points thirty (30) feet from the intersection of the street lines, except that street trees are permitted which are pruned at least eight (8) feet above the established grade of the roadway so as not to obstruct clear view by motor vehicle drivers.

SECTION 603.4 INCONSISTENCIES

In the event any of the requirements or regulatory provisions of these regulations are found to be inconsistent one with another, the more restrictive or greater requirements shall be deemed in each case to be applicable.

SECTION 603.5 SWIMMING POOLS

Public or private in-ground or above-ground swimming pools containing over four (4) feet of water depth shall be considered as structures for the purpose of permits and shall conform to all required yard setback lines. The construction, plumbing, and electrical requirements, inspection, and other safety facilities shall be regulated by the county or state codes.

The swimming pool, or the entire property on which it is located, shall be walled or fenced to prevent uncontrolled access by children from the street or from adjacent properties. Said fence or wall shall not be less than four (4) feet in height and maintained in good condition with a gate and lock.

SECTION 603.6 BUSINESS DISPLAYS

In all Business Districts, displays of merchandise shall be conducted within a completely enclosed building except as otherwise provided in this Resolution.

SECTION 603.7 RESTRICTIONS ON THE PARKING AND STORAGE OF VEHICLES

No person shall park, store or leave, or permit the parking or storing of any vehicle that is apparently inoperable and in a rusted, wrecked, junked, partially dismantled or abandoned condition, whether attended or not, upon any property within the township unless the same is completely enclosed within a building or otherwise permitted by these regulations.

In any R-1, R-2, R-3, R-4, and/or R-5 Residential Districts, the parking or storage of vehicles over 1-1/2 tons axle capacity rating shall be prohibited.

No more than two (2) recreational vehicles, such as a trailer home, motor home, or boat, may be stored on a side or rear lot in a residential district provided a dwelling does exist and the vehicles have current license plates.

SECTION 603.8 TEMPORARY GARAGE SALES, OR SALES OF A SIMILAR NATURE CONDUCTED AT A RESIDENCE

Periodic garage or yard sales are permitted by a resident for no longer than a two (2) week period and no more than once each year for any one dwelling, and no zoning permit will be required for such use. Further sales of such nature shall be considered a business use requiring a zoning permit as provided in applicable district regulations and subject to such district requirements. Any off premises signs should conform to Article VIII, Section 801.8.

SECTION 603.9 Home Occupations

A home occupation shall be a permitted accessory use of a single family residence and does not require a zoning certificate provided all of the following requirements are met.

1. No internal or external alterations, construction of the premises to accommodate the use shall be permitted.
2. No sign shall be permitted.
3. There shall be no outside storage of any kind related to the use.
4. Service activities such as teaching, tutoring, tax consulting, computer consulting and the like shall involve not more than two (2) receivers of such services at any one time.
5. There shall be no sale of commodities or products from the premises.
6. Not more than twenty-five (25) percent of the gross floor area of the dwelling shall be devoted to the use.
7. No equipment, process, materials or chemicals shall be used which create or emit offensive noise, vibration, smoke, dust, odor, heat, glare, x-rays, radiation or electrical disturbances.
8. No additional parking area shall be created.
9. No person who is not a resident of the dwelling may participate in the home occupation as an employee or volunteer.
10. No display of products may be visible from the street.
11. No deliveries by commercial transportation shall be permitted.
12. No use of accessory buildings or structures shall be permitted to operated a home occupation.

SECTION 603.10 Manufactured or Factory-built Homes

Any manufactured or factory-built home proposed to be located in any district shall comply with the following requirements:

1. The structure shall be installed upon and properly attached to a permanent foundation system approved by the Stark County Building Department.
2. All hitches, axles, wheels and conveyance mechanisms shall be removed from the structure.
3. The home shall be located to comply with all yard, setback and parking requirements for the district in which it is located.
4. The proposed home shall be serviced by adequate essential utilities, including an approved septic or sewer system.
5. A hip, gable or gambrel style roof must be installed and the structure shall be located on the site so that its long axes are parallel with the street.

SECTION 603.11 Landscaping, Buffer Yard and Screening Requirements

All portions of the lot not covered by permitted structures or pavement shall be landscaped. Trees and shrubbery shall not be planted so as to obstruct driveway or roadway intersections.

SECTION 603.12 OUTDOOR WOOD-BURNING FURNACES

An outdoor wood-burning furnace may be permitted in an R-R District on a minimum lot size of one (1) acre. All furnaces shall meet the following requirements:

- A. Locate in rear or side yard areas only
- B. Fifty (50) foot minimum setback from all property lines
- C. No outdoor wood burning furnace shall be utilized as a waste incinerator
- D. Must separately comply with Stark County Building Department regulations (building, mechanical, electrical, heating)

No person shall cause, allow or maintain the use of an outdoor wood-burning furnace without first having obtained a zoning permit from the Zoning Inspector. Application for a permit shall be made to the Zoning Inspector on forms provided. Fees collected with regard to this permit shall be set by the resolution of the Board of Trustees per Article XIII, Section 1301.4 A; Article XIII, Section 1301.5.

SECTION 603.13 Wind Energy Conversion System

A Wind Energy Conversion System for energy uses shall be permitted as an accessory to a principal use within the R-R Rural Residential Districts and I-1 Light Industrial Districts on a lots 5 acres or greater and comply with the following regulations:

- A. Primary purpose shall be to provide power for the principal use and accessory uses of the property and is not for the generation of power for commercial purposes.
- B. Placement of WECS towers at a density of no greater than one (1) per five (5) acres.
- C. No WECS shall be located in any required front yard area.
- D. Maximum height shall be 100 feet measured from the natural grade surrounding the support pad to the tip of the blade in a vertical position measured along the vertical axis of the tower. Noise levels of the WECS

- turbine may not exceed 62 decibels between 10:00 P.M. and 7:00 A.M. as measured from the property line.
- E. Minimum setback from all property lines, structures, and above ground utility lines shall be 110% of the tower height.
 - F. Anchor points for guy wires for the tower shall be located no closer than 25 feet to the property lines and not on or across any above ground electric transmission or distribution line.
 - G. Minimum height from the base of the tower to the lowest part of the blade tip or rotor system shall be 12 feet.
 - H. Blade colors shall be white or light gray.
 - I. Lighting of the tower for aircraft and helicopter will conform with Federal Aviation Administration (FAA) standards for wattage and color, when applicable.
 - J. The construction, plumbing and electrical requirements, inspection and other safety facilities shall be in compliance with all Federal, State, County and Local regulations and /or permits, and shall be installed, operated and maintained per the manufacturer's instruction.
 - K. The tower shall have either:
 - 1. Tower climbing apparatus located no closer than 12 feet to the ground level at the base of the structure.
 - 2. A locked anti-climb device installed on the tower; or
 - 3. Shall be completely enclosed with a locked fence at least six feet in height to prevent uncontrolled access from unauthorized personnel.
 - L. A sign shall be posted at the base of the tower warning of electrical shock or high voltage.
 - M. An automatic breaking, governing, or feathering system shall be required to prevent uncontrolled rotation.
 - N. No Variance shall be issued for the placement of a WECS so close to a property line or structure as to result in any portion of the WECS at any time, whether erect or in the event the WECS should fall or be topped, to overhang, cross or otherwise extend beyond the property line or come in contact with a structure.
 - O. Site Plan Requirements include but are not limited to:
 - 1. Property lines and physical dimensions of the site.
 - 2. Location of WECS tower, guy wires, and setbacks from property lines, above ground utility lines and any structure on the property.
 - 3. Location of signage.
 - 4. Elevation of the proposed WECS tower.
 - 5. Location of trees within a 100 foot radius of the proposed WECS.
 - 6. Make, model, picture, and manufacturer's specification, including noise decibels.
 - 7. Location of sewage treatment systems.
 - P. If at any time the use of the WECS is discontinued for 180 days, the Zoning Inspector may declare it abandoned. This excludes any dormancy period between construction and the initial use of the WECS. The property owner will receive written notice from the Zoning Inspector and instructions to either reactivate the WECS within 180 days or dismantle and remove it. If reactivation or dismantling does not occur, the township can remove or can contract to have the WECS removed at the owner's expense.

ARTICLE VII

DISTRICT REGULATIONS

SECTION 701 R-R RURAL/RESIDENTIAL DISTRICT

SECTION 701.1 PURPOSE

- A. Yards Adjoining Any Residential District
 Where the boundary of an Industrial district adjoins the boundary line of any Residential district, the minimum front, rear, or side yard, as the case may be, shall be one hundred (100) feet. The area abutting the residential boundary, to a depth of fifty (50) feet, shall be landscaped and maintained so as to minimize any undesirable visual effects of an industry on adjacent residential uses; the balance of the yard area shall be used for open space or vehicular parking.
- B. When permitted uses in this district are proposed on property adjacent to an R-R, R-1 or R-2 District, they shall be in accordance with requirements of Article VI, Section 603.11

SECTION 722.5 MAXIMUM BUILDING HEIGHT

Eighty (80) feet

SECTION 722.6 PARKING AND LOADING REQUIREMENTS

The parking and loading requirements for this district shall be regulated by Article IX hereof

ARTICLE VIII

SIGN REGULATIONS

SECTION 801 SIGNS

SECTION 801.1

PURPOSE

The purpose of the following regulations is to protect property values, create a more attractive economic and business climate, enhance and protect physical appearance of the community, and promote the safety of travelers on roadways by regulating the use, location, and size of outdoor advertising and signs of all types.

SECTION 801.2

LIMITATION ON THIS SECTION

The township's authority and regulation of the following signs is limited, in accordance with the Ohio Revised Code:

1. Signs erected and maintained pursuant to and in discharge of any governmental function, or required by any law, ordinance, or governmental regulation are exempt from these regulations.
2. Signs along interstate and primary highways shall conform to the requirements of the Ohio Revised Code, Chapter 5516, and regulations adopted thereto, in addition to the Osnaburg Township Zoning Regulations.
3. Outdoor advertising (off-premises) signs shall be classified as a business use and be permitted in all districts zoned for manufacturing or business, or lands used for agricultural purposes; however, permits must be obtained and other requirements met, as listed in this section (Section 519.02-519.05).

SECTION 801.3

SIGNS PERMITTED IN ANY DISTRICT NOT REQUIRING A ZONING CERTIFICATE

The following signs are permitted in any district of Osnaburg Township and will not require a permit to be issued:

1. One unlighted real estate sign not exceeding twelve (12) square feet in area pertaining only to the sale, lease, or rent of the particular building, property, or premises upon which displayed, which shall not be located closer to the street right-of-way line than ten (10) feet. Such signs shall be removed immediately after the sale or rent of the property in question.
2. Signs denoting the architect, engineer, or contractor, placed on premises where construction, repair, or renovation is in progress, which signs shall not exceed twelve (12) square feet in area and which shall not be located closer than ten (10) feet from any street right-of-way line. Such signs shall be removed upon completion of work.
3. Signs directing and guiding traffic shall be permitted on private property; however, such sign shall not contain any advertising material.

SECTION 801.4

GENERAL REQUIREMENTS FOR ALL SIGNS IN ANY DISTRICT

The following regulations shall apply to all signs in all use districts:

1. Any illuminated sign or lighting device shall employ only one exterior emitting lamp per side of constant intensity, and no sign shall be

illuminated by or contain exterior flashing, intermittent, rotating, or moving lamps, with the exception of a message center (consisting of time, temperature, and public information).

2. All illuminated signs or lighting devices shall have the exterior lamps properly shielded with rays directed toward the sign.
3. No sign shall be erected or maintained which projects from the front or face of a building a distance of more than two (2) feet, including those projecting from the face of any theater, hotel or motel marquee.
4. No sign shall be placed on any structure's roof except those signs whose supporting structure is screened so the sign appears to be a continuation of the face of the building.
5. No portable or temporary sign shall be placed on the front or face of a building or on any premises except as provided in these regulations.
6. All signs hung and erected shall be plainly marked with the name of the responsible firm or corporation for maintenance. Upon receipt of a written notice from the Zoning Inspector, the sign shall be put in a safe and secure condition or removed.
7. Signs shall not be constructed so as to obstruct traffic sight lines, control lights, traffic control devices, or railroad signal devices. Signs shall not in any way resemble traffic or directional signs or devices.
8. No sign shall be located within any public right-of-way except as indicated in Section 801.2 (1) above. Signs directing and guiding traffic shall be permitted on private property provided such signs do not contain any advertising material.
9. No sign shall be located closer than ten (10) feet to any front, side, or rear property line.
10. Directional signs shall not exceed thirty-six (36) inches in height and five (5) feet in width.

SECTION 801.5 MEASUREMENT OF SIGN AREA

The surface area of a sign shall be computed as including the entire area within a regular geometric form comprising all of the display area of one side of the sign and including all elements of the matter displayed. Frames and structural members not being advertising matter shall not be included in computation of surface area.

Where a sign consists of individual letters affixed to the wall of a structure, the surface area of such sign shall be the sum of the surface areas of the rectangles formed by each individual letter and shall include the wall space between the individual letters.

SECTION 801.6 PERMITTED SIGNS IN ANY USE DISTRICT UPON APPLICATION AND ISSUANCE OF A ZONING CERTIFICATE

The following signs are permitted in any district of Osnaburg Township but require a zoning certificate and are subject to the following requirements:

1. One announcement sign or bulletin board of not more than twenty (20) square feet in area shall be permitted for any church, school, community center, or other public or institutional building. Such sign shall be located on the premises

of such institution and shall not be located closer than ten (10) feet from any street right-of-way line, or property line.

2. One unlighted name plate not more than three (3) square feet in area announcing the name and occupation shall be permitted for a "Home Occupation." Such sign shall not be located closer than ten (10) feet from any property or street right-of-way line.
3. One unlighted sign not more than twenty (20) square feet in area in conjunction with a roadside stand (farm market), which shall be used to advertise seasonal agricultural sales.
4. Two signs shall be permitted for any real estate development or subdivision. Each sign shall not exceed forty (40) square feet in area and shall be located within such development and shall not be located closer than ten (10) feet from any street right-of-way line.
5. One unlighted name plate not more than three (3) square feet in area shall be permitted for a licensed group home for the developmentally disabled.

SECTION 801.7 SIGNS PERMITTED ONLY IN BUSINESS AND INDUSTRIAL DISTRICTS UPON APPLICATION AND ISSUANCE OF A ZONING CERTIFICATE

1. Exterior business signs may be erected which advertise a business or service conducted upon the premises and/or advertises products, merchandise, or commodities stocked and sold on the premises. Such signs may be affixed flat against the wall of the building or may project there from not more than two (2) feet. The bottom of a projecting sign shall be at least ten (10) feet above the ground or pavement level adjoining the building. The area of all permanent on-premises signs for any single business enterprise may have an area equivalent to one and one-half (1-1/2) square feet of sign area for each lineal foot of building width, or part of a building occupied by such enterprise but shall not exceed a maximum area of one hundred (100) square feet.
2. One pole-type business sign which advertises a business or service conducted upon the premises and/or advertises products, merchandise, or commodities stocked and sold on the premises may be permitted, provided such sign shall not exceed a total sign area of twenty (20) square feet and shall not be more than twenty-five (25) feet in height. Such sign shall be located not closer than ten (10) feet from all street right-of-way lines, and no sign shall be closer than twelve (12) feet six (6) inches from the ground.
3. Billboards and outdoor advertising signs shall be located so as to maintain the minimum front, side, and rear yards as required for buildings located in the same district. However, no such signs shall be located closer than fifty (50) feet from any building located upon the same lot or adjacent premises. Such sign shall not exceed a gross area of five hundred fifty (550) square feet. No billboard or outdoor advertising sign shall be permitted within five hundred (500) feet of any entrance to a public park, public or parochial school, library, church, or similar institution.

SECTION 801.8 TEMPORARY AND PORTABLE SIGNS

All signs of a temporary nature, such as posters, banners, promotional devices, signs on a portable transporting frame, and of similar nature, may be granted a temporary permit for a period not to exceed sixty (60) consecutive days subject to the following regulations:

1. Such signs shall not be attached to fences, trees, utility poles, or the like and shall not be placed in a position that will obstruct or impair vision or traffic or in any manner create a hazard or disturbance to the health and welfare of the general public.
2. No more than one (1) temporary sign permit shall be issued for any one property within a one-year period.
3. Temporary signs shall not be more than twenty (20) square feet in area and shall not be placed closer than ten (10) feet to any street right-of-way line or property line.

SECTION 801.9 FEES FOR SIGNS - As regulated by Article XIII hereof.

ARTICLE IX

- S. Car Washes:
 - 1. Automatic and Semi-Automatic Car Wash
Car washes in which vehicles are mechanically and/or self propelled through the production line shall have and maintain ten (10) paved off-street parking spaces on the premises for each twenty (20) lineal feet of production line within the confines of the building. In addition, there shall be provided at the exit at least two and one-half (2-1/2) off-street parking spaces per exit lane; said parking spaces shall be available at all times during the operation of the washing facility for vehicular storage of vehicles exiting the washing facility.
 - 2. Manual Car Wash
Car washes in which vehicles are manually washed and provide their own power through the stall shall have and maintain on the premises at least five (5) paved off-street parking spaces for each parking stall. In addition, said parking spaces shall be available at all times during the operation of the washing facility for the vehicular storage of vehicles entering or exiting the washing facility.
- T. Warehouse: One (1) for each two thousand (2,000) square feet or fraction thereof of floor space.

SECTION 901.2

GENERAL REGULATIONS

- A. Floor Area - For the purposes of this section, "floor area" in offices, merchandising, and service types of uses shall mean the area used for service to the public and exclude areas used principally for nonpublic purposes, such as storage, incidental repair, processing, show windows, rest rooms, and dressing rooms. In measurement for parking space, a fraction thereof shall require one (1) parking space.
- B. Parking Space - Off-street accessory parking areas shall provide parking spaces, each of which shall not be less than two hundred (200) square feet (10 x 20) in area exclusive of access drives or aisles.
- C. Parking Area Lighting - All lighting used to illuminate such parking areas shall be so arranged as to direct the light away from adjoining premises or streets, and no open light sources, such as the stringing of light bulbs, shall be permitted.
- D. Entrances and Exits - Entrances and exits shall be located to minimize traffic congestion and avoid undue interference with pedestrian access at street intersection corners. There shall not be more than two (2) access ways abutting on any one (1) street. Access ways for other than single family dwellings shall be not less than twenty (20) feet in width at the sidewalk line nor more than thirty (30) feet at the curb cut line of street.
- E. Yard Restrictions - In all Zoning Districts, open off-street parking facilities may be located in the required front yard provided that at least a ten (10) foot wide landscaped strip is located between the parking area and the street right-of-way line. Open off-street parking facilities may occupy the required rear or side yard provided that all parking shall be located a distance of five (5) feet from such lot line. These yard

restrictions are intended to prevent all bumper overhang into driveway and street areas.

- F. Location - All required parking spaces shall be located on the lot.

SECTION 902 LOADING AND UNLOADING SPACE REQUIREMENTS

SECTION 902.1 MINIMUM SPACES REQUIRED

- A. Every building used for nonresidential purposes which customarily receives or distributes goods by motor vehicle shall provide sufficient space on the premises for all loading, unloading, and service purposes on the basis of the following minimum regulations:
1. Every building having over five thousand (5,000) square feet of gross floor area shall be provided with at least one (1) truck loading and unloading space not less than twelve (12) feet in width, forty (40) feet in length, and fourteen (14) feet clearance. An additional truck space of these dimensions shall be provided for every additional twenty thousand (20,000) square feet or fraction thereof of gross floor area in the building.
 2. Access to truck loading and unloading space shall be provided directly from a public street or alley or from any public or private right-of-way that will not interfere with public convenience and that will permit the orderly and safe movement of such trucks and other vehicles.
 3. Loading space as required under this section shall be provided as area additional to off-street parking spaces as required under Section 901 and shall not be considered as supplying off-street parking space.

SECTION 903 PARKING AND LOADING REQUIREMENTS FOR USES NOT SPECIFIED

Where the off-street parking and loading requirements for a use are not specifically defined herein, the parking and loading facilities for such use shall be developed so as to be sufficient to meet all the parking and loading needs of the proposed use; no parking, loading, or servicing shall be on the right-of-way of any publicly dedicated thoroughfare.

ARTICLE X

NONCONFORMING USE

SECTION 1001 PURPOSE

The purpose of this section is to provide for the continuation of uses that do not conform to the existing zoning, but which were in operation prior to the enactment of this Resolution or amendments thereto.

SECTION 1001.1 REGULATIONS

The lawful use of any building or land existing at the effective date of this Resolution or amendments thereto may be continued, although such use does not conform with the provisions of this Resolution.

A. Alterations and Enlargement

A nonconforming building, structure, or use existing at the time this Resolution takes effect may be altered or enlarged as to extend such use or structure not to exceed an additional twenty-five (25) percent in square foot area of the original nonconforming use, as determined by the Board of Zoning Appeals. Such alteration or enlargement shall not take place unless a permit has first been obtained from the Board of Zoning Appeals as set forth hereinafter.

B. Nonconforming to Nonconforming Use

A nonconforming use may be changed to another nonconforming use provided that the changed nonconforming use is identical or in less conflict with character and use of the district than the existing nonconforming use, as determined by the Board of Zoning Appeals.

C. Reconstruction

Nothing in this Resolution shall prevent the reconstruction, repairing, rebuilding, and continued use of any nonconforming building or structure damaged by fire, collapse, explosion, or acts of God, subsequent to the date of this Resolution and if started within one (1) year of the aforementioned acts, and provided such replacement or repair does not extend the nonconforming use in square foot area.

D. Construction Approved Prior to Resolution

Nothing in this Resolution shall prohibit the completion of construction and use of a nonconforming building for which a zoning certificate has been issued prior to the effective date of this Resolution, or any amendment thereto, provided that construction is commenced within ninety (90) days after the issuance of such zoning certificate, that construction is carried on diligently and without interruption for a continuous period in excess of thirty (30) days, and that the entire building shall have been completed within one (1) year after the issuance of said zoning certificate.

E. Discontinuance or Abandonment

Whenever a nonconforming use has been discontinued for a period of two (2) years or more, any further use shall be in conformity with the provisions of this Resolution.

In the event that a landowner does not hold a current Certificate of Nonconforming Use, it shall be presumed that the nonconforming use

has abandoned and otherwise discontinued for the purposes of this Resolution.

F. Unsafe Structures

Nothing in this Resolution shall prevent the strengthening or restoring to a safe condition of any portion of a building or structure declared unsafe by a proper authority.

G. Certificate of Nonconforming Use

Within one (1) year of the effective date of this Resolution the Zoning Inspector shall issue a "Certificate of Nonconforming Use" to all known owners of legal nonconforming use property.

1. In accordance with the provision of this section, no use of land, buildings, or structures shall be made other than that specified on the "Certificate of Nonconforming Use" unless said use shall otherwise be in conformance with the provisions of the Zoning Resolution.
2. A copy of each "Certificate of Nonconforming Use" shall be filed in the office of the Zoning Inspector.
3. A Landowner's Certificate of Nonconforming Use shall be in force until the earlier of the following two events occurs:
 - a. The nonconforming use of the land is abandoned, or
 - b. A period of one (1) calendar year has lapsed since the Certificate of Nonconforming Use was issued.
4. On or before the first day of January of each year, the Zoning Inspector shall issue a renewal "Certificate of Nonconforming Use" to all known owners of legal nonconforming use property.
5. Upon completion of the one (1) year term, the landowner of the nonconforming use shall apply for an additional one (1) year certificate with the Zoning Inspector. Appropriate documentation shall govern the application for renewal which demonstrates that the nonconforming use has not been abandoned.

H. District Changes

Whenever the boundaries of a district shall be changed so as to transfer an area from one district to another of a different classification, the foregoing provisions shall also apply to any nonconforming use existing therein.

ARTICLE XI

CONDITIONAL ZONING CERTIFICATES

SECTION 1101

PURPOSE

The purpose of this section is to provide for issuance of Conditional Zoning Certificates where conditionally permitted uses are provided for in this Resolution.

SECTION 1101.1

PROCEDURES FOR MAKING APPLICATION

Any application for a Conditional Zoning Certificate for any land, structure, or use permitted under this Resolution shall be submitted in accordance with the following procedures:

A. Application Submitted to the Zoning Inspector

Application for a Conditional Zoning Certificate shall be made to the Zoning Inspector and submitted to the Board of Zoning Appeals on a special form for that purpose. Each application shall be accompanied by the payment of a fee, which fee shall not be refundable. In addition, the Board, where appropriate, may refer an application to qualified consultants for a report if it deems the proposed use may cause the emission of dangerous or objectionable elements or require special study. The cost of such report shall be at the expense of the applicant.

B. Data Required with Application

1. Form supplied by Board of Zoning Appeals completed by applicant.
2. Site plan, plot plan, or development plan of the entire property being considered, drawn to a reasonable scale and showing the location of all abutting streets, the location of all existing adjacent and proposed structures, the types of buildings, their use, and the acreage or area involved, including that for parking.
3. Sufficient plans and specifications for all proposed development and construction, and where appropriate, reclamation.

C. Review by the Board of Zoning Appeals

The Board of Zoning Appeals shall review the proposed development as presented on the submitted plans and specifications in terms of the standards established in this Resolution. Such review and determination shall be completed within forty-five (45) days of the date of submission, and shall be made at a public meeting.

D. Hearing

After adequate review and study of any application, the Board shall hold a public hearing or hearings upon every application after at least one (1) publication in a newspaper of general circulation in the Township at least ten (10) days prior to the date of the hearing. Such notice shall indicate the place, time, and subject of the hearing.

E. Issuance and Revocation of Conditional Zoning Certificates - Violation and Penalty

Only upon conclusion of hearing procedures relative to a particular application and adequate review and study may the Board issue a Conditional Zoning Certificate. The breach of any condition, safeguard, or requirement shall automatically invalidate the certificate granted, and

shall constitute a violation of this Resolution. This authority shall be in addition to the authority contained in Section 519.14 (d) of the Ohio Revised Code for the revocation of a Conditional Zoning Certificate.

- F. Resubmission of Application for Conditional Use Permit
No application for a Conditional Zoning Certificate which has been denied wholly or in part by the Board should be resubmitted except on grounds of newly discovered evidence or proof of changed conditions which would be sufficient to justify reconsideration. Any new application for a Conditional Zoning Certificate shall be accompanied by the filing fee.
- G. Termination
The Conditional Zoning Certificate shall become void at the expiration of one (1) year after date of issuance unless the structure, alteration, or land use has begun.
- H. Continuation of Existing Uses Conditionally Permissible
All known uses existing at the time of passage of this Resolution and conditionally permissible in their respective districts under this Resolution shall be issued Conditional Zoning Certificates by the Zoning Inspector within one (1) year after the passage of this Resolution.

SECTION 1101.2

BASIS OF DETERMINATION

The Board shall determine beyond reasonable doubt that the general standards and the specific standards pertinent to each use indicated herein shall be satisfied by the completion and operation of the proposed development. The Board may also impose such additional conditions and and for ensuring that the intent and objectives of this Resolution will be observed.

A. General Standards

The Board shall review the particular facts and circumstances of each proposed use in terms of the following standards and shall find adequate evidence showing that such use on the proposed location:

1. will be designed, constructed, operated, and maintained so as to be harmonious and appropriate in appearance with the existing or intended character of the general vicinity;
2. will not be hazardous or disturbing to existing or future neighboring uses;
3. will not be detrimental to property in the immediate vicinity or to the community as a whole;
4. will be served adequately by essential public facilities and services, such as highways, streets, police and fire protection, drainage structures, refuse disposal, and schools; or that the persons or agencies responsible for the establishment of the proposed use shall be able to provide adequately any such service;
5. will be in compliance with state, county, and township regulations;

1. When the proposed Communication Tower/Facility is to include a new tower, a plot plan at a scale of not less than one inch is equal to 100 feet shall be submitted. This plot plan shall indicate all building uses within 300 feet of the proposed facility. Aerial photos and/or renderings may supplement the plot plan.
 2. The applicant shall provide a map indicating the proposed facility and extending outward a minimum of a six (6) miles radius surrounding the facility. This map shall have shown all existing Communication Tower/Facility within this radius and shall show all existing structures that are 100 feet or taller.
 3. The location of the tower and equipment shelter shall comply with all natural resource protection standards established by the Ohio Revised Code.
 4. The Communication Tower/Facility shall comply with the minimum setback requirements for the respective zoning district where the facility will be located unless otherwise indicated.
 5. The height of the tower shall not exceed 300 feet.
 6. A fence of other barrier a minimum height of eight (8) feet with an additional three (3) strands of barb wire on top shall surround the facility including the tower and any accessory buildings.
 7. Supporting cables must be encircled at the point of attachment to the ground with sufficient fencing and or plantings to prevent any individual from coming in contact with any supporting wires or cables.
 8. The applicant shall present a landscaping plan that indicates how the Communication Tower/Facility will be screened from adjoining uses and/or properties. Existing vegetation, trees and shrubs, shall be preserved to the maximum extent possible in the surrounding area. The landscape shall be properly maintained and dead vegetation replaced. The ground shall be kept debris free and no equipment shall be stored outside of the equipment shelter.
 9. Any applicant requesting permission to install a new tower shall provide evidence of written contact with the service providers who supply service within a quarter mile of the proposed facility. The applicant shall inquire about potential collocation opportunities at all technically feasible locations. The contacted providers shall be requested to respond in writing to the inquiry within 30 days. The applicant's letter(s) as well as responses(s) shall be presented with the application as a means of demonstrating the need for a new tower. Collocation of providers is strongly encouraged.
 10. The tower and all associated structures including the equipment shelter shall be painted a non-contrasting gray or similar color minimizing its visibility, unless otherwise required by the Federal Communications Commission (FCC) of Federal Aviation Administration (FAA). The tower and all associated Structures shall be kept in a good repair. The appearance of all structures shall be maintained and visually appealing.

11. No advertising is permitted anywhere on the facility, with the exception of identification signage. The name and phone number of the responsible party for the facility shall be posted and readily visible on the entrance to the facility.
12. All providers utilizing towers shall present a report to the Zoning Inspector notifying of any tower facility located in Osnaburg Township whose use will be discontinued and the date this use will cease. If at any time the use of the facility is discontinued for 180 days, the Zoning Inspector may declare the facility abandoned. This excludes any dormancy period between construction and the initial use of the facility. The facility's owner/operator and property owner, where applicable, will receive written notice from the Zoning Inspector and instructed to either reactivate the facility's use within 180 days, or dismantle and remove the facility. If reactivation or dismantling does not occur, the township can remove or can contract to have removed the facility. The township will then have the authority to use said bond described below for the removal of the facility.
13. The owner/operator of communication tower/facility or the landowner shall provide a \$25,000 bond issued in the name of Osnaburg Township Board of Trustees for each facility. Said bond shall be renewed on an annual basis and evidence of renewal shall be forwarded to Osnaburg Township. The renewal information shall indicate the applicable Zoning Permit number for the facility. Said bond shall remain in effect at all times for a facility until such facility has been completely removed by the owner/operator. If said Bond is to be canceled, notification or cancellation shall be forwarded to Osnaburg Township 60 days prior to the cancellation date. A replacement bond shall be in place 30 days prior to the cancellation date of the bond to be canceled.
14. No tower under 150 feet shall be artificially lighted except to assure safety or as required by the FAA. Any tower between 150 and 200 feet in height shall follow safety marking and obstruction lighting as prescribed by the FAA. White strobe lighting will not be permitted. Security lighting around the equipment shelter is permitted. Lighting used shall not constitute a nuisance to adjacent properties and no lighting shall shine directly on adjacent properties.
15. "No Trespassing" signs shall be posted around the facility with a telephone number who to contact in the event of an emergency.
16. The applicant shall present documentation that the owner of the property has granted an easement or entered into a lease for the proposed facility and that the vehicular access is provided.
17. A Conditional Use Permit must be obtained from the Board of Zoning Appeals for construction of new tower and for towers attached to existing structures/buildings in Rural/Residential and Business (B-1 & B-2) Districts.
18. A Zoning Certificate is required of all new or replacement towers, accessory equipment, antennas, or equipment shelters.
19. Underground equipment shelters are encouraged, especially in Business Districts. All utilities from the equipment shelter to the main utility lines are to be buried a minimum of 30 inches. This requirement excludes the wiring from the equipment shelter to the antennas.
20. Copies of plot plans and plans for the shelter shall be submitted to the

Osnaburg Township Fire Chief and a Fire Permit obtained.

21. The Communication Tower/Facility facility shall be fully automated and unattended on a daily basis, and shall be visited only for periodic and necessary maintenance.
22. The maximum size of the equipment shelter shall not exceed 200 square feet.
23. Vehicular access to the tower and equipment shelter shall, whenever feasible, be provided along the circulation driveways of the existing use. Vehicular access to the shelter shall not interfere with the parking or vehicular circulation on the site for the principal use. There shall be no parking of service vehicles on the public right-of ways or streets.
24. The applicant shall demonstrate that the Communication Tower/Facility tower must be located where it is proposed in order to service the
25. Prior to the erection of any communication tower/facility, a registration form, provided by the township's zoning department and maintained thereby, must be completed by the owner of the property upon which the said tower is proposed to be erected. There will be no charge imposed for the registering of a tower.

ARTICLE XII

BOARD OF ZONING APPEALS

SECTION 1201 A BOARD OF ZONING APPEALS IS HEREBY CREATED AND SHALL HAVE ALL THE POWERS AND DUTIES PRESCRIBED BY LAW AND BY THIS RESOLUTION

SECTION 1201.1 COMPOSITION AND APPOINTMENT

The Board shall consist of five (5) members appointed by the Township Trustees in accordance with Ohio Revised Code, Section 519.13.

SECTION 1201.2 ORGANIZATION

The Board shall elect a chairman from its membership, shall appoint a Recording Secretary, and shall prescribe rules for the conduct of its affairs.

SECTION 1201.3 QUORUM

Three (3) members of the Board shall constitute a quorum at all meetings. A majority vote shall be necessary to affect an order, take action, make decisions, or act on any authorization.

SECTION 1201.4 MEETINGS

The Board shall meet at its regularly scheduled meetings and at the call of its chairman. All meetings of the Board shall be open to the public.

SECTION 1201.5 WITNESSES

The Board Chairman or Acting Chairman shall administer oaths, and the Board may compel the attendance of witnesses in all matters coming within the purview of the Board.

SECTION 1201.6 PROCEEDINGS

The Board shall keep minutes of its proceedings showing the vote of each member upon each question, or, if absent or failing to vote, indicating such fact, and shall keep records of its examinations and other officials actions, all of which shall be immediately filed in the office of the Township Trustees and shall become public record.

SECTION 1201.7 POWERS AND DUTIES

The Board of Zoning Appeals shall have the following powers:

- A. The Board shall have the power to hear and decide appeals where it is alleged there is error in any order, requirement, decision, or determination made by the Zoning Inspector in the enforcement of this Resolution.
- B. In the event that the Zoning Inspector has made a wrongful interpretation of the code and the Board so finds in favor of the applicant, then all fees paid for the appeal shall be refunded to the applicant. The Board shall have the power to authorize, upon appeal, in specific cases, such variance from the terms of the Zoning Resolution as will not be contrary to the public interest, where, owing to special conditions, a literal

enforcement of this Resolution will result in unnecessary hardship, and so that the spirit of this Resolution shall be observed and substantial justice done. In granting a variance, the Board may impose such conditions as it may deem necessary to protect the public health, safety, and morals and in furtherance of the purposes and intent of this Resolution.

- C. The Board shall have the power to grant Conditional Zoning Certificates for the use of land, buildings, or other structures as specifically provided for elsewhere in this Resolution and review such plans and nonconforming uses as specifically provided in this Resolution. NOTE: The Board of Zoning Appeals shall have no authority to permit a use when such use is not permitted by this Resolution.
- D. The Board shall have the power to revoke an authorized variance or conditional zoning certificate, if any condition of the variance or certificate is violated. The Board shall notify the holder of the variance or certificate by certified mail of its intent to revoke the variance or certificate and of his right to a hearing before the Board within thirty (30) days of the mailing of the notice, if he so request. If the holder requests a hearing, the Board shall set a time and place for the hearing and notify the holder. At the hearing, the holder may appear in person, by his attorney or other representative, or he may present his position in writing. He may present evidence and examine witnesses appearing for or against him. If no hearing is requested, the Board may revoke the variance or certificate without a hearing. The authority to revoke a variance or certificate is in addition to any other means of zoning enforcement provided by law. Ohio Revised Code 519.14 (D)

SECTION 1201.8 APPEALS TO THE BOARD

Appeals to the Board may be taken by any person aggrieved or by any office of the township affected by any decision of the administrative office. Such appeal shall be taken within twenty (20) days after the decision by filing, with the office from whom the appeal is taken and with the Board of Zoning Appeals, a notice of appeal specifying the grounds. The officer from whom the appeal is taken shall forthwith transmit to the Board all the papers constituting the record upon which the action appealed from was taken.

SECTION 1201.9 APPLICATIONS

An application, in cases in which the Board has original jurisdiction under the provisions of this Resolution, may be taken by any property owner, including a tenant, or by governmental officer, department, board, and bureau. Such application shall be filed with the Secretary of the Board who shall transmit the same to the Board.

SECTION 1201.10 PROCEDURE

The Board of Zoning Appeals shall act in accordance with the procedure specified by law including this Resolution. All appeals and applications made to the Board shall be in writing and on the forms prescribed therefore. Every appeal or application shall refer to the specified provision of the Resolution involved, and shall exactly set forth the interpretation that is claimed, the details of the variance that is applied for and the grounds on

which it is claimed that the variance should be granted, as the case may be. Every decision of the Board shall be by resolution, each of which shall contain a full record of the findings of the Board by case number under one or another of the following headings:

1. Interpretation;
2. Variances;
3. Conditional Zoning Certificate;
4. Revocation of Variance or Conditional Zoning Certificates; together with all documents pertaining thereto.

SECTION 1201.11 NOTICE OF HEARINGS

When a notice of appeal has been filed in proper form with the Board of Zoning Appeals, the Secretary shall immediately place the said request for appeal upon the calendar for hearing, and shall cause notices stating the time, place, and object of the hearing to be served personally or by mail addressed to the parties making the request for appeal, and other property owners of interest, at least ten (10) days prior to the date of the scheduled hearing. All notices shall be sent to addresses given in the last tax assessment roll. Such hearings shall be advertised by one (1) publication in one (1) or more newspapers of general circulation in the Township at least ten (10) days before the date of such hearing. The Board, at its discretion, may send out further notices to publicize such hearings. The Board may recess such hearings from time to time, and, if the time and place of the continued hearing be publicly announced at the time of adjournment, no further notice shall be required.

SECTION 1201.12 DECISIONS

A copy of the Board's decision shall be transmitted to the applicant or appellant and to the Zoning Inspector. Such decision shall be binding upon the Zoning Inspector and observed by him, and he shall incorporate the terms and conditions of the same in the zoning certificate or Conditional Zoning Certificate to the applicant or appellant whenever a permit is authorized by the Board. A decision of the Board shall become final when such decision is made.

ARTICLE XIII

ADMINISTRATION FEES AND ENFORCEMENT

SECTION 1301 ADMINISTRATION

SECTION 1301.1 ZONING INSPECTOR

For the purposes of enforcing the zoning regulations, the Township Trustees shall establish and fill the position of Township Zoning Inspector, together with such assistants as the Trustees deem necessary. The term of employment, rate of compensation, and other such conditions shall be set by the Township Trustees.

SECTION 1301.2 BOARD OF ZONING APPEALS

The Board of Zoning Appeals shall have the power to administer Article XI, Conditional Zoning Certificates, of this Resolution and shall have the powers as specified in Article XII of this Resolution.

SECTION 1301.3 SUBMISSION OF APPLICATIONS

All applications for zoning certificates shall be submitted to the Zoning Inspector, who may issue zoning certificates when all applicable provisions of this Resolution have been complied with.

SECTION 1301.4 ZONING CERTIFICATES REQUIRED

- A. Before constructing or altering any sign, structure, or building, including accessory buildings, application shall be made to the Zoning Inspector for a zoning certificate. The applications shall include the following information:
1. A plot plan drawn to scale showing the exact dimensions and area of the lot to be built upon.
 2. The location, dimensions, height, and bulk of structures to be erected. If a commercial structure, two (2) sets of construction plans shall be required, one (1) of which shall be reviewed by the Township Fire Prevention Bureau.
 3. The intended use.
 4. The proposed number of sleeping rooms, dwelling units, occupants, employees, and other uses.
 5. The yard, open area, and parking space dimensions.
 6. Appropriate sewage disposal certificate and, if required, appropriate permit for access to public street (Osnaburg Township Zoning Regulations Sec. 601.2).
 7. Required permit fee.

- 8. Any other pertinent data as may be necessary to determine and provide for the enforcement of this Resolution.
- B. Within thirty (30) days after the receipt of application, the Zoning Inspector shall issue a zoning certificate if the application complies with the requirements of this Resolution and the application is accompanied by the proper fee.
- C. The zoning certificate shall become void at the expiration of one (1) year after date of issuance unless construction is started. If no construction is started or use is changed within one (1) year of date of permit, a new permit is required upon proper application.
- D. If the application is for a Conditional Zoning Certificate, the application procedure defined in Section 1101.1 shall be followed in lieu of the above regulations.

SECTION 1301.5

FEES

A. Zoning Fee Schedule

The Township Trustees shall by Resolution, establish a schedule of fees, charges and expenses and a collection procedure for zoning certificates, amendments, appeals, variances, conditional zoning certificates, and other matters pertaining to the administration and enforcement of the Osaburg Township Zoning Resolution requiring investigations, inspections, legal advertising, postage, and other expenses. The schedule of fees shall be posted in the Township office and may be altered or amended only by the Township Trustees by Resolution. Until all applicable fees, charges and expenses have been paid in full, no action shall be taken on any application or appeal.

B. Failure to obtain permit before construction or use has commenced.

The zoning certificate required shall be obtained BEFORE any location, erection, construction, reconstruction, enlargement, or structural alteration is commenced. Any zoning certificate issued in conflict with the provisions of this Resolution shall be null and void. Where construction is commenced prior to obtaining a zoning certificate, The Zoning Inspector shall notify the property owner of the need to obtain a zoning certificate. If an application is not filed within ten (10) days of such notice, an additional fee shall be charged.

SECTION 1302.1

VIOLATIONS

In case any building is or is proposed to be located, erected, constructed, reconstructed, enlarged, changed, maintained, or used, or any land is or is proposed to be used in violation of any provisions of this Resolution or supplements or amendments thereto, the board of township trustees, the prosecuting attorney of the county, the township zoning inspector, or any adjacent or neighboring property owner who would be especially damaged by such violation, in addition to other remedies provided by law, may institute injunction, mandamus, abatement, or any other appropriate action or proceeding to prevent, enjoin, abate, or remove such unlawful location, erection, construction, reconstruction, enlargement, change, maintenance, or

use.

SECTION 1302.2

PENALTIES

Any persons violating any provisions of this Resolution or supplements or amendments thereto shall be fined not more than one hundred (100) dollars per offense. Each day of continuation of a violation of this Resolution shall be deemed a separate offense. This shall be in addition to all other remedies which are provided by law.

ARTICLE XIV

VALIDITY AND SEPARABILITY

If any section, subsection, or any provision or provisions of this Resolution, or amendments thereto, are held to be invalid by a court of competent jurisdiction, such decision shall not affect the validity of the remaining portions of this Resolution or amendments thereto.

ARTICLE XV

REPEALER

All existing Zoning Resolutions of Osnaburg Township, Stark County, Ohio, inconsistent herewith, are hereby repealed.
