

**TOWN  
OF  
ASHFORD**

**ZONING ORDINANCE**

## **SECTION 1 — APPLICABILITY AND PURPOSE**

### **1. Applicability**

This ordinance, established under Chapter 60.74 of the Statutes of Wisconsin, shall be known as the Zoning Ordinance for the Town of Ashford, Fond du Lac County, Wisconsin, and shall apply to:

- a. The regulation and restriction of the height, number of stories and size of buildings and other structures.
- b. The percentage of lot that may be occupied.
- c. The size of yards, courts and other open spaces.
- d. The density of population.
- e. The regulation of nonconforming uses.
- f. The moving, location and use of buildings, structures and land for trade, industry, residence or other purposes provided that there shall be no discrimination against temporary structures without prior Town Board approval.

### **2. Purpose**

The purpose of this ordinance is to promote the public health, safety and general welfare of the community through provisions designed to:

- a. Encourage the most appropriate, harmonious use of the land.
- b. Conserve the value of land and buildings.
- c. Prevent the overcrowding of land and the congestion of streets.
- d. Provide for adequate light and air.
- e. Secure safety from fire, panic and other dangers.
- f. Avoid undue concentration of population.

- g. Facilitate the adequate provision of transportation, water, sewage, schools, parks, and other public requirements.
- h. Preserve and promote the general attractiveness and character of the Town environment, including its viewscales.
- i. Protect the Town's floodplains.  
  
Preserve existing farmland.

## **SECTION 2 — GENERAL PROVISIONS**

### **1. Establishment of Districts**

For the purpose of this ordinance, the Town of Ashford is hereby divided into the following districts:

- a. Farmland Preservation (*FP*)
- b. General Agriculture (*GA*)
- c. General Residential (*GR*)
- d. Exclusive Residential (*ER*)
- e. Public Institution (*P1*)
- f. Commercial (*CM*)

### **2. Establishment of Zoning Map**

The location and boundaries of the districts established shall be as shown on the map entitled the Official Zoning Map of the Town of Ashford, Fond du Lac County, Wisconsin. The Official Zoning Map with all notations, dimensions, designations, references and other data shall accompany and be part of this ordinance, and upon adoption shall be signed by the Town Board Chairman and attested to by the Town Clerk. Amendments to the Official Zoning Map shall be approved by the Town Board of Supervisors and shall promptly be portrayed on

the Official Zoning Map. Said map shall be available for public inspection in the Town Hall.

### **3. Interpretation of District Boundaries**

Where uncertainty exists as to the boundaries of districts as shown on the Official Zoning Map, the following rules shall apply:

- a. Boundaries as indicated as approximately following the center lines of streets, highways, alleys or a railroad right-of-way shall be construed to follow such center lines.
- b. Boundaries indicated as approximately following platted lot lines shall be construed as following such lot lines.
- c. Where boundaries do not follow property lines and distances are not specified on the Official Zoning Map, boundaries shall be determined by the use of the scale on the Official Zoning Map.

### **4. Application of Regulations**

The regulations set by this ordinance shall be minimum regulations and shall apply uniformly to each class or kind of structure or land, and particularly, except as hereinafter provided:

- a. No land, building or structure shall hereafter be used or occupied, and no building, structure, or part thereof shall hereafter be erected, constructed, reconstructed, moved or structurally altered except in conformity with all the regulations herein specified for the district in which it is located.
- b. No part of a yard, open space, or off-street parking space required about or in connection with any building for the purpose of complying with this ordinance shall be included as part of a yard, open space, or off-street parking space similarly required for any other building.
- c. No lot or yard existing at the effective date of adoption of this ordinance shall be reduced in dimension or area below the minimum requirements set forth herein. Lot or yards created after the effective date of adoption of this ordinance shall meet the minimum requirements established by this ordinance.

**5. Interpretation of Regulations**

In their interpretation and application, the provisions of this ordinance shall be considered minimum requirements. Where the provisions of this ordinance impose greater restrictions than any statute, other regulations, ordinance or covenant impose greater restrictions than the provisions of this ordinance, the provisions of such statute, other regulation, ordinance or covenant shall prevail.

**6. Severability of Regulations**

It is hereby declared to be the legislative intent that should any provision of this ordinance be declared invalid by a court of competent jurisdiction, such decision shall not affect the validity of this ordinance in its entirety or any part thereof, other than so declared to be invalid.

**7. County Shoreland Regulations**

In addition to the regulations established herein, no land, water, building or structure shall hereafter be used or occupied and no building, structure or part thereof shall hereafter be erected, constructed, reconstructed, moved or structurally altered except in conformity with the regulations established in the Fond du Lac County Shoreland Zoning Ordinance, Fond du Lac County, Wisconsin adopted pursuant to Sections 59.971 and 87.30 of the Wisconsin Statutes.

**SECTION 3 — DEFINITION OF TERMS**

**General**

For the purpose of this ordinance, the following shall apply as indicated throughout the ordinance:

- a. The word "person" includes a firm, association, organization, partnership, trust, company or corporation as well as an individual.
- b. The present tense includes the future tense and the singular includes the plural.
- c. The word "shall" is mandatory, the word "may" is permissive.
- d. The words "used" or "occupied" also mean intended, designed or arranged to be used or occupied.

## 2. Definition of Terms

For the purpose of this ordinance, the following terms are defined:

- (1) **Accessory Use or Structure:** A use or structure on the same lot with the principal use or structure, and of a nature customarily incidental and subordinate to the principal use or structure.
- (2) **Alteration:** A change or rearrangement in the structural parts of a structure, an enlargement of a structure, whether by extending on the side or by increasing the height, or the movement of a structure from one location to another.
- (3) **Automobile Salvage Yard:** A place where more than two unlicensed motor vehicles are stored.
- (4) **Building:** A structure having one or more stories and a roof which is used or intended to be used for the shelter or enclosure of persons, property or animals.
- (5) **Convalescent Home, Children's Home, Nursing Home:** A place where regular care is provided to two or more infirmed persons, children, or aged persons who are not members of the family which resides-en the premises.
- (6) **Development:** Any man-made change to improved or unimproved real estate, including but not limited to construction of or additions or substantial improvements to buildings, other structures, or accessory uses, mobile homes, mining, dredging, filling, grading, paving, excavation or drilling operations, and deposition of materials.
- (7) **Dog Kennel:** A place where more than three dogs are kept for any purpose.

- (8) **Dwelling Unit:** A room or rooms connected together, constituting a separate, independent housekeeping establishment for one family only, for owner occupancy or for rental, lease, or other occupancy on a weekly or longer basis, physically separated from any other rooms or dwelling units, and containing independent cooking and sleeping facilities.
- (9) **Dwelling, Single Family Detached:** One building containing not more than one dwelling unit, entirely separated from structures on adjacent lots. The term 'detached dwelling' also includes a manufactured home as defined in this Section 3, which meets the aesthetic standards set forth in Section 6 of this Ordinance.
- (10) **Dwelling, Two Family:** One building containing not more than two dwelling units or two buildings, attached at the side, with not more than one dwelling unit per building. The term "two family dwelling" is intended to imply single-family semi-detached buildings and duplexes or any form which conforms to this definition.
- (11) **Dwelling, Mobile Home:** A building, other than a Manufactured Home, transportable in one or more sections, built on a permanent chassis, with body width exceeding eight feet and body length exceeding 32 feet, designed to be used as a single family dwelling with a permanent foundation and connection to required utilities.
- (11a) **Dwelling, Manufactured/Modular Home:** A structure certified and labeled as a manufactured home under 42 U.S.C. 5401 to 5426, as amended from time to time, which, when placed on the site, is installed in accordance with the manufacturer's instructions or any state regulation specifically applicable to manufactured home installation, and which is properly connected to utilities.

a. Aesthetic Standards for Manufactured Homes.

Manufactured homes, as defined in Section 3 of this ordinance, shall be considered single family detached dwellings for purposes of this ordinance provided that the manufactured home meets the following minimum aesthetic standards:

1. Is of multi-sectional design (double-wide or wider) and the enclosed floor area is not less than 1,000 square feet.
2. Is set on an enclosed foundation in accordance with Section 70.043(1), Wis. Stats., and subchapters III, IV and V of Chapter IHLR, Wis. Administrative Code, or is

set on a comparable foundation system approved by the Building Inspector;

3. Has a nominal roof pitch of 3 feet in height for each 12 feet of width;
4. Has a garage or carport with exterior materials and construction matching the manufactured home if 60% of residences within 1,000 feet of the manufactured home have garages or carports.
5. Has siding and roofing materials comparable with 60% of the residences within 1,000 feet of the manufactured home. Bare metal siding or roofing materials shall not be considered comparable unless at least 60% of the residences within 1,000 feet of the manufactured home have bare metal siding and/or roofing.

**(12) Family:** One or more persons occupying a single dwelling unit provided that unless all members are related by blood or marriage, no such family shall contain over five persons, but further provided that domestic servants employed on the premises may be housed on the premises without being counted as family.

**(13) Farm:** All land under common ownership that is primarily devoted to agricultural use.

**(14) Farm Residence:** A single-family or duplex residence that is the only residential structure on a farm or is occupied by either an owner or operator of the farm, a parent or child of an owner or operator of the farm, or an individual who earns more than 50% of his or her gross income from the farm. "Farm resident" also includes a migrant labor camp that is certified under Wis. Stat. § 103.92.

**(15) Height, Building:** A building's vertical measurement, from the mean level of the finished grade in front of the building to the highest point on the roof line of a flat roof or of a roof having a slope of less than 15 degrees from the horizontal, and to a point midway between the peak and the eaves of a roof having a slope of 15 degrees or more.

**(16) Home Occupation:** An occupation conducted as an accessory use provided it is clearly incidental and subordinate to the principal use and no person other than members of the family residing on the premises shall be engaged in such occupation. In the GR District no home occupation shall occupy more than 25 percent of the floor area of a dwelling-or be conducted in any accessory building.

- (17) **Horse Stable:** A place where more than one horse is kept on a recurrent basis for non-agricultural purposes. Notwithstanding district dimensional requirements, no less than 1 1/2 acres/horse shall be provided.
- (18) **Hotel:** An establishment where lodging is provided for compensation other than in dwelling units and for five or more persons. Hotels may serve meals to both occupants and others. The term "hotel" is also intended to imply motel, motor court, motor lodge, tourist court or any form which conforms to this definition.
- (19) **Livestock:** Bovine animals, equine animals, goats, poultry, sheep, swine, farm-raised deer, farm-raised game birds, camelids, ratites, and farm-raised fish.
- (20) **Lot:** A parcel of land used or set aside and available for use as the site for one or more buildings and buildings accessory thereto or for any other purpose, in one ownership and not divided by a street nor including any land within the limits of a public or private street right-of-way. The term "record lot" shall mean land designated as a district and separate parcel on a legally recorded deed or plat in the County Clerk's Office.
- (21) **Lot Area:** The total horizontal area within the lot lines of the lot.
- (22) **Lot Frontage:** The front of a lot shall be construed to be the portion nearest the street. For the purposes of determining yard requirements on corner lots, all sides of a lot adjacent to streets shall be considered frontage.
- (23) **Lot Line:** The line on the official map that indicates lot boundaries provided any street right-of-way line shall be considered lot lines for the purpose of this ordinance.
- (24) **Lot Width:** Width of a lot shall be considered the measurement at the front yard line.
- (25) **Reconstruction:** Repairs or the replacement of structural components of a structure exceeding 50 percent of the replacement cost of the structure.
- (26) **Service Station:** Buildings and premises where gasoline, oil, grease, batteries, tires, and automobile accessories may be supplied and dispensed at retail and where, in addition, minor repair work may be performed.
- (27) **Special Exception:** A use or structure that would not generally be appropriate in a zoning district but which, if controlled as to number, area,

or location or relation to neighborhood would promote the public health, safety, welfare, morals, order, comfort, convenience, appearance, property or general welfare. Such uses or structures may be permitted in a zoning district if they meet the requirements of this ordinance.

**(28) Sign:** A "sign" means any outdoor advertising, display, device, notice, figure, painting, drawing, mural, message, placard, poster or other thing which is designed, intended or used to advertise or inform, and in which any part of the advertising or informative content is visible from any place on the traveled way of any portion of a Town, County or State highway or roadway and is more than seventy-five (75) square feet in total area. The following signs shall not be included in the application of sign regulations herein:

- a. Signs not exceeding three square feet in area and bearing only property numbers, postbox numbers, names of occupants of the premises, or other identification not having commercial connotations;
- b. Flags and insignia of any government except when displayed in connection with a commercial promotion;
- c. Legal notices, identification, informational, or directional signs erected or required by governmental agencies;
- d. Integral or architectural features of building except letters, trademarks, moving parts or moving lights;
- e. Signs directing or guiding traffic and parking on private property, but bearing no advertisement matter and not exceeding nine square feet in area;
- f. Temporary signs, including election signs, advertising a cultural or civic matter for up to 45 days before such an event and for 7 days after such an event.

**(29) Sign Area:** A sign or billboard area shall be measured by the smallest square, rectangle, triangle, circle or combination thereof which encompasses the entire sign, including border and trim, but excluding supports. The profile of a building is bounded by the outer edges of its structure as they appear to an observer positioned in the area to which the sign is directed.

**(30) Sign Number of:** For the purposes of determining number of signs, a sign shall be considered to be a single display surface or device containing elements organized, related and composed to form a unit. Where subject matter is displayed randomly without any organization of the elements, each element shall be considered to be one sign.

- (31) **Structure:** Anything constructed or erected with a fixed location on the ground, or attached to something with a fixed location on the ground. Among other things structures include signs, fences, mobile homes and parking lots.
- (32) **Variance:** A relaxation of the terms of the ordinance where such variance will not be contrary to the public interest and where, owing to conditions peculiar to the property and not the result of the actions of the applicant, a literal enforcement of the ordinance would result in unnecessary and undue hardship.
- (33) **Yard:** An open space other than a court, on a lot, unoccupied and unobstructed from the ground upward provided, however, that fences, walls, poles, posts and other customary yard accessory ornaments and furniture may be permitted in any yard subject to the height limitations and requirements limiting obstruction of visibility.
- (34) **Yard, Front:** A yard extending across the front of a lot between the side lot lines and extending from the street right-of-way to the nearest principal structure or projection of the principal structure.
- (35) **Yard, Rear:** A yard extending across the rear of a lot between the side lot lines, and extending from the rear lot line to the nearest principal structure or projection of the principal structure.
- (36) **Yard, Side:** A yard extending between the nearest building or projection thereto and the side lot line, and extending from the front yard to the rear yard.

## SECTION 4 — NONCONFORMITIES

### 1. **Applicability and Intent**

Any use of land or structures, or any lot or structure which lawfully existed at the effective date of adoption or amendment of this ordinance which would not be permitted or permissible by the provisions of this ordinance as adopted or amended, shall be deemed nonconforming. It is the intent of this ordinance to permit such nonconformities to continue subject to certain restrictions.

### 2. **Nonconforming Uses of Land and Structures**

If a nonconforming use is discontinued for a period of twelve months, any future use of such land or structure shall conform to the ordinance.

**3. Nonconforming Structures**

No such structure shall be altered in any manner which would increase the degree of nonconformity. The total structural repairs or alterations in such nonconforming structure shall not during its life exceed 50 percent of the replacement cost of the structure. If such structure is destroyed or damaged to an extent of less than 50 percent of its replacement cost at the time of destruction, it may be reconstructed provided any reconstruction shall substantially reflect the prior structural arrangement and shall not increase the degree of nonconformity. If such structure is destroyed or damaged to an extent of more than 50 percent of its replacement cost at the time of destruction, it shall not be reconstructed except in conformity with the provisions of the district in which it is located.

**4. Nonconforming Characteristics of Use**

If characteristics of use such lighting, parking or other matters pertaining to the use of land, structures and premises are made nonconforming by the provisions of this ordinance as adopted or amended, no change shall thereafter be made in such characteristics of use which increases the nonconformity; provided, however, that changes may be made which do not increase, or which decrease, such nonconformity.

**5. Repairs and Maintenance**

Nothing in this ordinance shall be deemed to prevent normal maintenance or repair of any structure or to prevent restoring to a safe condition any structure declared to be unsafe.

## **6. Existing Special Exceptions**

Any use or structure existing at the effective date of adoption or amendment of this ordinance which is classified as a special exception in the district in which it is located shall be deemed to have been granted approval by the Board of Appeals, subject to maintaining the character and extent of such use or structure existing on that date. Any extension or enlargement or change in such use or structure shall require approval of the Board of Appeals as provided in this ordinance. Board of Appeal approval shall be required for extension or enlargement of resource extraction uses to any properties not devoted to such use at the effective date of adoption or amendment of this ordinance.

## **SECTION 5 — SCHEDULE OF DISTRICT REGULATIONS**

### **SECTION 5.1- ESTABLISHMENT OF DISTRICTS**

For the purpose of this ordinance, the Town of Ashford is hereby divided into the following districts:

- a. Farmland Preservation (*FP*) - section 5.3
- b. General Agriculture (*GA*) - section 5.4
- c. General Residential (*GR*)- section 5.5
- d. Exclusive Residential (*ER*) - section 5.6
- e. Public Institution (*PI*) - section 5.7

- f. Commercial (*CM*) -section 5.8

## **SECTION 5.2 - INTERPRETATION AND ORGANIZATION**

- a. District regulations shall be as set out in this section.
- b. Permitted principal and accessory uses and structures listed for any district shall be permitted by right, subject to conditions as specified.
- c. Special exception uses and structures listed for any district are permissible only upon approval by the Board of Appeals subject to the conditions as specified any other conditions as may be imposed by the Board of Appeals as provided by this ordinance.
- d. All uses and structures and dimensional requirements shall be subject to Section 6 Supplementary District Regulations as applicable.

## **SECTION 5.3 — FARMLAND PRESERVATION DISTRICT (*FP*)**

### **PURPOSE:**

This District was formerly known as “Exclusive Agriculture District.” The purpose of this District is to maintain highly productive agricultural lands in food and fiber production by effectively limiting encroachment of non-agricultural development, minimizing land use conflicts among incompatible uses, and minimizing public service and facility costs normally associated with non-agricultural development. This District is intended to comply with the standards contained in Chapter 91 of the Wisconsin Statutes to permit eligible landowners to receive tax credits and includes lands identified for agricultural preservation in the Fond du Lac County Farmland Preservation Plan.

### **PERMITTED PRINCIPAL USES AND STRUCTURES**

- 1. Agricultural Uses: Any of the following activities conducted for the purpose of producing an income or livelihood:
  - a. Crop or forage production

- b. Keeping livestock
- c. Beekeeping
- d. Nursery, sod, or Christmas tree production
- e. Floriculture
- f. Aquaculture
- g. Forest management
- h. Enrolling land in a federal agricultural commodity payment program or a federal or state agricultural land conservation payment program.

2. Accessory Uses:

- a. A building, structure, or improvement that is an integral part of, or is incidental to, an agricultural use, including, but not limited to:
  - (1) A facility used to store or process raw agricultural commodities, all of which are produced on the farm.
  - (2) A facility used to keep livestock on the farm.
  - (3) A facility used to keep or service vehicles or equipment primarily employed in agricultural uses on the farm.
  - (4) A facility used to store or process inputs primarily for agricultural uses on the farm.
  - (5) A manure digester, bio-fuel facility, or other facility that produces energy primarily from materials grown or produced on the farm, primarily for use on the farm.
  - (6) A waste storage or processing facility used to store or process animal waste produced solely from livestock kept on the farm.
- b. An activity or business operation that is an integral part of, or is incidental to, an agricultural use.
- c. One farm residence per lot.
- d. A business, activity, or enterprise, whether or not associated with an agricultural use, that is conducted by the owner or operator of the farm, that requires no buildings, structure or improvements other than those described in sections 2a. and 2c., that employs no more than four full-time employees annually, and that does not impair or limit the current or future agricultural use of the farm or of other protected farmland.

3. Undeveloped natural resource and open space areas.
4. A transportation, utility, communication, or other use that is required under state or federal law to be located in a specific place or that is authorized to be located in a specific place under a state or federal law that preempts the requirement of a special use permit for that use.
5. Residences, regardless of occupancy, existing as of January 1, 2014.

### **SPECIAL EXCEPTION USES AND STRUCTURES**

1. Agricultural-related uses.
  - a. An agricultural equipment dealership, facility providing agricultural supplies, facility for storing or processing agricultural products, or facility for processing agricultural wastes.
2. Transportation, communication, pipeline, electric transmission, utility, or drainage uses, if all of the following apply:
  - a. The use and its location in the farmland preservation zoning district are consistent with the purposes of the farmland preservation zoning district.
  - b. The use and its location in the farmland preservation zoning district are reasonable and appropriate, considering alternative locations, or are specifically approved under state or federal law.
  - c. The use is reasonably designed to minimize conversion of land at and around the site of the use, from agricultural use or open space use.
  - d. The use does not substantially impair or limit the current or future agricultural use of surrounding parcels of land that are zoned for or legally restricted to agricultural use.
  - e. Construction damage to land remaining in agricultural use is minimize and repaired, to the extent feasible.
3. Governmental, institutional, religious, or nonprofit community uses, if all of the following apply:
  - a. The use and its location in the farmland preservation zoning district are consistent with the purposes of the farmland preservation zoning district.

- b. The use and its location in the farmland preservation zoning district are reasonable and appropriate, considering alternative locations, or are specifically approved under state or federal law.
  - c. The use is reasonably designed to minimize the conversion of land, at and around the site of the use, from agricultural use or open space use.
  - d. The use does not substantially impair or limit the current or future agricultural use of surrounding parcels of land that are zoned for or legally restricted to agricultural use.
  - e. Construction damages to land remaining in agricultural use is minimized and repaired to the extent feasible.
4. Oil and gas exploration or production that is licensed by the Department of Natural Resources under Subchapter II of Chapter 295, Wisconsin Statutes.
5. Nonmetallic mineral extraction if all of the following apply:
- a. The operation complies with Subchapter I of Chapter 295 and rules promulgated under that Subchapter, with applicable provisions of local ordinances under Wis. Stat. § 295.13 or 195.14 and with any applicable requirements of the Department of Transportation concerning the restoration of nonmetallic mining sites.
  - b. The operation and its location in the district are reasonable and appropriate, considering alternative locations outside the district, or are specifically approved under state or federal law.
  - c. The operation and its location in the district are consistent with the purposes of the district.
  - d. The operation is reasonably designed to minimize the conversion of land around the extraction site from agricultural use or open space use.
  - e. The operation does not substantially impair or limit the current or future agricultural use of surrounding parcels of land that are zoned for or legally restricted to agricultural use.
  - f. The owner restores the land to agricultural use, consistent with any required reclamation plan when extraction is completed.

## **DIMENSIONAL REQUIREMENTS**

  - a. Minimum Lot Size: 35 acres.
  - b. Minimum Side Yard Setback: 25 feet.
  - c. Minimum Rear Yard Setback: 40 feet.
  - d. Minimum Front Yard Setback: 40 feet from road right-of-way.
  - e. Minimum Lot Width: 200 feet.

### **REZONING LAND OUT OF THE FARMLAND PRESERVATION DISTRICT**

1. The Town may rezone land out of the farmland preservation district if the Town finds all of the following, after a public hearing:
  - a. The land is better suited for a use not allowed in the farmland preservation district.
  - b. The rezoning is consistent with any applicable comprehensive plan.
  - c. The rezoning is substantially consistent with the Fond du Lac County Farmland Preservation Plan.
  - d. The rezoning will not substantially impair or limit current or future agricultural use of surrounding parcels of land that are zoned for or legally restricted to agricultural use.
2. By March 1 of each year, the Town will provide DATCP a report of the number of acres that the Town rezoned out of the farmland preservation district during the previous year along with a map that clearly shows the location of those acres. The Town will also submit a copy of the report and map to Fond du Lac County by March 1 of each year.

### **SECTION 5.4 —GENERAL AGRICULTURAL DISTRICT (GA)**

#### **PURPOSE:**

The purpose of this district is to allow farming on parcels smaller than 35 acres while maintaining the ability to develop non-agricultural structures, such

as housing, on a density not to exceed 1 (one) home per 20 acres. The intent of this district is also to conserve and protect the significant environmental, scenic, cultural and historical resources of the Town.

### **PERMITTED PRINCIPAL USES AND STRUCTURES**

1. Single-family detached dwellings.
2. Two-family dwellings.
3. Agricultural uses including beekeeping, dairying, floriculture, poultry and livestock raising, plant nurseries and orchards, raising of grain and seed crops, raising of grass and mint, raising of nuts and berries, raising of fruits and vegetables, viticulture, and forest management.

### **PERMITTED ACCESSORY USES AND STRUCTURES**

1. Uses and structures customarily accessory and clearly incidental to permissible principal uses and structures. Single-family dwellings or mobile homes shall be considered accessory to agricultural uses provided such dwellings are occupied by a person or a family of which at least one member earns a substantial part of his or her livelihood from farming operations on the farm parcel or is related to the farm operator. Accessory dwellings may be established on a separate parcel.
2. One roadside stand per farm of not more than 200 square feet in area used solely for the sale of products produced on the premises.
3. Home occupations.

### **SPECIAL EXCEPTION USES AND STRUCTURES**

**Minimum lot area of 5 acres.** There are no minimum lot width or yard requirements and no height limitations.
2. Pre-Existing Dwellings on a Separate Parcel.  
**Minimum lot area — two acres,** minimum lot width — 100 feet. Yards shall be a minimum of 25 feet in depth if at the front or rear and 15 feet in width if at the side. There are no height limitations.
3. Other Permissible Principal Uses, Accessory Dwellings and Structures.  
**Minimum lot area — two acres,** minimum road frontage — 200 feet, minimum lot width — 200 feet, minimum front and rear yard depth — 40 feet and minimum width of side yards — 25 feet. There are no height limitations.

## **SECTION 5.5 —GENERAL RESIDENTIAL DISTRICT (GR)**

### **PURPOSE**

This district is intended to provide for areas of the town where non-agricultural uses and development can be established or maintained. This district is generally composed of lands which are currently developed or used for non-agricultural purposes or which because of location, existing development, ownership patterns or physical characteristics are not highly suited to intense

long term agricultural use. Because of the rural character of the town, the absence of distinct development patterns and moderate growth anticipated, this district provides for a wide range of permissible uses. The intent of this district is also to conserve and protect the significant environmental, scenic, cultural and historical resources of the Town.

### **PERMITTED PRINCIPAL USES AND STRUCTURES**

1. Permitted principal agricultural uses and structures in the FP District.
2. Single-family detached dwellings.
3. Two-family dwellings.
4. Public and semi-public non-profit institutional uses including churches, schools, libraries and uses of a similar nature.

### **PERMITTED ACCESSORY USES AND STRUCTURES**

1. Uses and structures customarily accessory and clearly incidental to permissible principal uses and structures.
2. One roadside stand per farm of not more than 200 square feet in area used solely for the sale of products produced on the premises.
3. Home occupations.

### **SPECIAL EXCEPTION USES AND STRUCTURES**

1. Parks, playgrounds and golf courses.
2. Eating and drinking establishments provided: any such establishment located within 150 feet of a residence shall provide a landscaped buffer in accordance with Section 6.6; no lighting shall be directed in any manner which illuminates adjacent residences; and off-street parking shall be provided such that no public street shall be used for parking.
3. Motels subject to the conditions in (2) above.
4. Farm equipment sales and service subject to the conditions in (2) above.

5. Convenience establishments including grocery stores, drug stores and beauty and barber shops subject to the conditions in (2) above.
6. Warehouse and building supply establishments, farm co-shops, feed mills, storage and distribution facilities for agricultural products and uses of a similar nature provided: any such establishment located within 300 feet of a residence shall be subject to the landscaping, lighting and parking requirements in (2) above; and provided further that any such establishment shall be located on a state or county trunk highway and the outside storage of equipment and materials in any required yard adjacent to a residential lot line is prohibited.
7. Repair shops subject to the conditions in (6) above.
8. Service stations and auto salvage yards subject to the conditions in (6) above.
9. Light industrial uses relating to the processing of agricultural products such as cheese factories, milk plants, canneries and uses of a similar nature subject to the conditions in (6) above.
10. Manufacturing uses including production, processing, cleaning, testing and the distribution of materials subject to the conditions in (6) above.
11. Resource extraction uses including the removal for sale or processing of timber, topsoil, fill, sand, gravel, rock or any mineral (See Section 6.5).
12. Commercial recreation uses including driving ranges, archery and rifle ranges, camps, campgrounds and uses of a similar nature.
13. Offices for professional services.
14. Public and quasi-public uses including landfills, compactors, utilities, storage.
15. Convalescent, children's and nursing homes.
16. Kennels and stables.
17. Craft, antique and souvenir shops and auction barns.
18. Mobile home requirements are as listed in the Town of Ashford Ordinance 81-1; Mobile Homes and Mobile Home Parks.

## **DIMENSIONAL REQUIREMENTS**

1. All Permissible Agricultural Uses and Structures.

Minimum lot area - 2 acres, minimum lot width - 100 feet, minimum front yard - 40 feet, minimum rear yard - 25 feet, and minimum side yards - 20 feet each. There are no height limitations.

2. Other Permissible Principal Uses and Structures.

Minimum lot area - 2 acres, minimum road frontage — 200 feet, minimum side yards — 20 feet each. There are no height limitations, provided, however, that for any structure over 50 feet in height the side yards shall be increased by 1 foot for every 2 feet in height.

## **SECTION 5.6 —EXCLUSIVE RESIDENTIAL DISTRICT (ER)**

### **PURPOSE**

This district is intended to maintain the character of existing residential areas and to provide for other areas of the town where residential development may be established as the primary use. The intent of this district is also to conserve and protect the significant environmental, scenic, cultural and historical resources of the Town.

### **PERMITTED PRINCIPAL USES AND STRUCTURES**

1. Permitted principal agricultural uses and structures in the FP District.
2. Single-family detached dwellings.
3. Two family dwellings.
4. Public and semi-public non-profit institutional uses including churches, schools, libraries and uses of a similar nature.

### **PERMITTED ACCESSORY USES AND STRUCTURES**

1. Uses and structures customarily accessory and clearly incidental to permissible principal uses and structures.
2. Home occupations.

## **SPECIAL EXCEPTION USES AND STRUCTURES**

1. Parks, playgrounds and golf courses.
2. Convalescent, children's and nursing homes.
3. Clubs and organizations not conducted as a gainful business.
4. Public utilities.
5. Mobile home requirements are as listed in the Town of Ashford Ordinance 81-1; Mobile Homes and Mobile Home Parks.

## **DIMENSIONAL REQUIREMENTS**

1. All Permissible Principal Uses and Structures.

Maximum lot area — 2 acres, minimum road frontage — 200 feet, minimum front yard — 40 feet, minimum rear yard — 25 feet, minimum side yards — 10 feet each. Maximum height — 35 feet.

## **SECTION 5.7 —PUBLIC INSTITUTION DISTRICT (PI)**

### **PURPOSE**

This district is intended to provide for areas of the town for uses not specifically reserved for housing, natural resource preservation, commercial or agricultural production. This district encompasses a range of public, social and institutional uses. These uses are public or semi-public, and generally tax exempt. Because of the rural character of the town, the absence of distinct development patterns and moderate growth anticipated, this district provides for a wide range of permissible uses. The intent of this district is also to conserve and protect the significant environmental, scenic, cultural and historical resources of the Town.

### **PERMITTED PRINCIPAL USES AND STRUCTURES**

1. Schools
2. Libraries

3. Parks and Playgrounds
4. Municipal Buildings
5. Emergency Response Buildings
6. Public Safety Buildings
7. Places of Worship
8. Government Owned Lands
9. Non-Profit Institutional Uses
10. Other Uses of Similar Nature

### **SPECIAL EXCEPTION USES AND STRUCTURES**

- a. Clubs and organizations not conducted as a gainful business.
- b. Cemeteries

### **DIMENSIONAL REQUIREMENTS**

#### **1. All Permissible Principal Uses and Structures.**

Minimum lot area — 2 acres, minimum road frontage — 200 feet, minimum front yard — 40 feet, minimum rear yard — 25 feet, minimum side yards — 10 feet each. The height of structures should also be complimentary to the structures and landscape in the surrounding area.

### **SECTION 5.8 —COMMERCIAL (CM)**

#### **PURPOSE**

To establish and maintain areas of the Town for general commercial and industrial use. The intent of this district is also to conserve and protect the significant environmental, scenic, cultural and historical resources of the Town.

#### **PERMITTED PRINCIPAL USES AND STRUCTURES**

1. Retail establishments including department, grocery, specialty, hardware and drugstores and uses of a similar nature
2. Personal and general service establishments including banks, barbers, cleaners, restaurants, taverns, repair shops and uses of a similar nature

3. Wholesale, warehouse and building supply establishments
4. Automobile, farm implement and boat dealers and repair shops
5. Offices and public buildings
6. Public and private institutional uses
7. Transportation terminals
8. Automobile filling stations
9. Funeral homes
10. Gardens, orchards and nurseries including where a store is maintained on the premises
11. Recreational establishments including bowling alleys, skating rinks, billiard parlors, dance halls and uses of a similar nature
12. Public utility installations
13. Agricultural-related businesses such as feedmills, farm co-ops, creameries, milk processing and cheese factories.
14. Manufacturing uses including production, processing, cleaning, testing and the distribution of materials and goods provided:
  - a. No activity or operation shall transmit any noise exceeding a sound level of 75 dBA when measured within a property boundary outside of the Commercial District, (Noises not directly under the control of the property user, from temporary construction or maintenance and from emergency, safety or warning devices shall be exempt.);
  - b. No operation or activity shall transmit any physical vibration that is above the vibration perception threshold of an individual within a property boundary outside of the Commercial District;
  - c. No operation or activity shall emit any substance or combination of substances in such quantities that create an objectionable odor as defined in Chapter NR 429.03, Wisconsin Administrative Code;
  - d. No operation or activity shall emit any particulate matter into the ambient air which exceeds the limitations as established in Chapter NR 436, Wisconsin Administrative Code;

- e. No operation or activity shall emit into the ambient air from any direct or portable source any matter that will affect visibility in excess of the limitations established in Chapter NR 431, Wisconsin Administrative Code;
- f. No operation or activity shall emit any hazardous substances in such quantity, concentration or duration as to be injurious to human health or property and all estimates shall not exceed the limitations established in Chapter NR 445, Wisconsin Administrative Code.

### **PERMITTED ACCESSORY USES AND STRUCTURES**

- 1. Uses and structures customarily accessory and clearly incidental to permissible principal uses and structures.

### **SPECIAL EXCEPTION USES AND STRUCTURES**

- 1. Temporary exposition, carnival or fair
- 2. Clinics
- 3. Dog Kennels
- 4. All "Permitted Principal", "Permitted Accessory" and "Special Exception" uses and structures in the Farmland Preservation, General Agriculture, General Residential, Exclusive Residential, and Non-Residential district schedules, with the applicable "Dimensional", "Permitted Signs" and "Off-Street Parking" requirements.

### **DIMENSIONAL REQUIREMENTS AND LOT SCREENING**

- 1. All Permissible Principal Uses and Structures.
  - a. Minimum lot area — 2 acres, minimum road frontage — 200 feet, minimum front yard — 40 feet, minimum rear yard — 25 feet, minimum side yards 10 feet each. No structure shall exceed a height of fifty (50) feet, nor shall any structure exceed the height of any pre-existing structure located within 300 feet by more than 100% of the height of the preexisting structure.
  - b. Any commercial use may be required to be appropriately screened from adjoining residential districts by a fence, wall or shrubs.

- 2. Permitted Signs

- a. No sign may exceed a total display area of twenty-five (25) square feet per side, nor may the sign structure exceed a height of fifteen (15) feet. No part of the display area of any sign may be located within ten (10) feet of any road or highway right-of-way. No sign visible from a road or highway right-of-way shall be located within 500 feet of another such sign. All signs must be structurally sound.

All county and state rules and regulations apply and supersede Town of Ashford zoning regulations. Moving, flashing or blinking lighted signs are not permitted. No sign shall be erected within ten (10) feet of any front lot line or ten (10) feet of any side lot line. A building permit for signage may be required.

- b. The display area of temporary signs shall not exceed twenty-five (25) square feet per side and shall comply with the height, location and structural requirements of permanent signs. Temporary signs shall be erected for a period not to exceed thirty (30) days.
- c. Signs defined under section 3-2, #25 a-f, #26 & #27.
- d. Temporary signs advertising the sale or lease of the subject real estate.

### 3. Off-Street Parking

- a. Retail and personal service establishments other than restaurants: one per 200 square feet of floor area.
- b. Restaurants and recreational establishments other than theaters: one per 100 square feet of floor area.
- c. Theaters and taverns: one per three persons of maximum capacity.
- d. General service establishments, printing and publishing: one per employee.
- e. Offices, clinics, public and private institutional uses: one per 200 square feet of floor area.
- f. Hotels: one per sleeping room. Funeral homes: one per three seats.

- h. Wholesale, warehouse, and building supply establishments: minimum of four, plus one additional for each 3,000 square feet over 12,000 square feet of floor area
- i. Light manufacturing: one per employee.

## **SECTION 6 – SUPPLEMENTARY DISTRICT REGULATIONS**

### **1. General Application**

The regulations set forth herein shall supplement or modify the regulations set forth in Section 5 Schedule of District Regulations.

### **2. Lots and Yards**

#### a. More Than One Building on a Lot.

In any district, more than one building housing a principal use may be erected on a single lot provided that yard and other requirements of this ordinance shall be met for each building as though it were on an individual lot.

#### b. Through Lots.

On through lots or lots with double frontage, the required front yard shall be provided on each street. On corner lots the street side yard shall equal the required front yard for lots fronting on that street.

#### c. Development in Mapped Streets.

Where an official line has been established for the future widening or opening of a street, the depth of a front yard or the width of a side yard shall be measured from such official line to the nearest line of the building.

#### d. Access.

Every building housing a principal use hereafter erected or moved shall be on a lot with direct access to a public or private street and all such buildings shall be so located as to provide safe and convenient access for servicing and off-street parking.

#### e. Building Groups.

In any non-residential district a group of buildings separated only by common or party walls shall be considered as one building.

### **3. Accessory Uses and Structures**

a. Attached Accessory Buildings.

All accessory buildings which are attached to the principal building shall comply with the yard requirements of the principal building.

b. Detached Accessory Buildings.

No detached accessory building shall occupy any portion of the required front or side yard in any district where the principal use is residential. No detached accessory building or buildings shall occupy more than 25 percent of the required rear yard, or be located within ten feet of any other accessory buildings, principal building or lot line.

c. Corner Visibility.

On any corner residential lot, nothing shall be erected, planted, or allowed to grow within 30 feet of the street line that will obscure visibility over the height of two and one half feet above the street grade.

### **4. Height**

The height limitations contained in Section 5 do not apply to belfries, cupolas, antennas, water tanks, elevator bulkheads, chimneys, spires, flagpoles or other appurtenances usually required to be placed above the roof level and not intended for human occupancy. No structure may exceed the height of any preexisting structure located within 300 feet by more than 100% of the height of the pre-existing structure.

### **5. Resource Extraction**

a. Location.

Location shall be appropriate to existing development and development which may reasonably be expected within the time period specified

herein. The site shall be so located as to make it unnecessary to conduct trucking operations on town roads through established residential areas and unnecessary for special improvements or maintenance of public facilities at public expense.

b. Area.

The tract shall consist of a minimum of five acres with dimensions sufficient to adequately accommodate the proposed use with minimum adverse effects on adjacent land.

c. Plan for Development and Plan for Rehabilitation.

In addition to a site plan, each applicant shall submit a plan for development and a plan for rehabilitation. The plan for development shall show the proposed operation as planned and staged over a ten year period in relation to the entire tract. The plan for development shall include the following information: present topography, drainage, and soils and features to be altered in connection with the operation; the feasibility of the proposed operation without hazards or damage to other properties by reason of flooding, rises in groundwater, erosion or other reasons; where and how traffic on and from the development is to be handled; and where equipment will be operating and stored. The plan for rehabilitation shall include the following information: fill methods, materials and depths; measures to be taken to replace topsoil; topography and treatment of slopes to prevent erosion; and the delineation of drainage-ways.

d. Time Limitations.

No special exception shall be issued for a period exceeding 12 years consisting of not more than 10 years for the development phase and not more than two years for the rehabilitation phase. Upon expiration of the development phase, the applicant may request extensions of this phase on a four year basis thereafter unless changing conditions indicate the extensions will be detrimental to adjacent land or the public interest. Any extension shall require the submission of a development plan and plan for rehabilitation. If such an extension is denied, the applicant shall complete the rehabilitation phase as proposed.

e. Financial Capability.

To insure completion of the rehabilitation phase as proposed and within the two year time period specified, the applicant shall submit a performance bond sufficient in amount to cover the rehabilitation expense.

## 6. Landscaped Buffer

The use of properly planted and maintained buffer areas may reduce and ease potential incompatibility between or among different uses of land in proximity to each other.

### a. Requirements.

Where these zoning regulations require a landscaped buffer area, the following requirements shall be met:

1. The landscaped buffer area shall not be less than six feet in width measured at right angles to property lines and shall be established along the entire length of and contiguous to the designated property line or lines.
2. The area shall be so designed, planted and maintained as to be seventy-five percent or more opaque between two and six feet above average ground level when viewed horizontally.
3. Types and numbers of plantings for landscaped buffers shall be submitted with application for a building permit or special exception, along with plans and statements demonstrating how the buffer will be maintained in the future.
4. Plantings shall be of a size and type which will insure the meeting of the seventy-five opacity requirement within no longer than twenty four months of the date of first planting.
5. Failure to maintain the landscaped buffer area as set out above shall be a violation of these zoning regulations.

### b. Substitution for Landscaped Buffer Area.

Except when otherwise specifically provided by these regulations, a six foot high opaque structure set in a five foot wide landscaped buffer area may be substituted for the six foot high planted buffer above. If such opaque structure is of non-living material, for each ten feet thereof, an average of one shrub or vine shall be planted abutting such barrier but need not be spaced ten feet apart. Such shrubs or vines shall be planted along the outside of such barrier unless they are of sufficient height at the time of planting to be

readily visible over the top of such barrier. The remainder of the required landscaped areas shall be landscaped with grass, ground cover or other landscaping.

c. Sight Distance.

When an access way intersects a public right-of-way, all landscaping or structures shall provide unobstructed cross visibility at a level between two and one half to six feet.

## 7. Driveways

- a. All new dwellings must be served by a private driveway providing access to and from a public road adjacent to the land upon which the dwelling is constructed.
- b. No part of such driveway, including the point of access to the public road, may be shared with the owners or occupants of any other lands.
- c. No building permit shall be issued for the construction of a new dwelling until a permit for the construction of a private driveway in compliance with subparagraphs a, b, and f, has been issued. The fee for such permit shall be \$50 which shall set forth the following information:
  - (1) The name and address of the applicant
  - (2) The identity of the parcel by means of parcel identification number or legal description.
  - (3) The size of the parcel expressed in acres.
  - (4) The address of the parcel if assigned.
  - (5) The name and daytime telephone number of the person who may be contacted if the Building Inspector has questions concerning the application.
  - (6) A sketch of the driveway, to include the name of the public road to be accessed, the approximate location of the dwelling and any accessory buildings to be served by the driveway, the length and width of the driveway, the type and specifications of construction of the driveway, the size and location of the culvert and the signature of the applicant.

- d. The Town Board may by separate resolution adopt a driveway permit application form and require that all applications be submitted on such form.
- e. Neither construction of the dwelling nor the private driveway may commence until the issuance of the driveway permit.
- f. Newly constructed driveways shall conform with the following specifications.
  - (1) Minimum driveway surface width: 12 feet.
  - (2) Minimum culvert length: 30 feet.
  - (3) Minimum culvert diameter: 18 inches.
  - (4) Minimum side yard setback: 10 feet.
  - (5) Angle of entry from public road: 90 degrees.
  - (6) Curves in the driveway shall have an inside radius of no less than 36 feet.

## **8. Fences**

### a. Height and Other Restrictions.

- 1. Two and a half feet maximum height within the vision-corner clearance triangle of any corner lot.
- 2. Six feet maximum height.
- 3. No barbed wire fencing may be used in a residence district.
- 4. In all districts, except agricultural, all fences shall be set on the property line.

b. 1. Any fences to be constructed in excess of the height restrictions contained in subsection 7(a) shall require a building permit. The Building Inspector may issue a permit for a fence in excess of the height restrictions under the following circumstances:

- a. For fences located in side or rear yards (except for the vision-corner clearance triangle), where adjacent to non-residential uses or districts;

- b. In non-residence districts;
  - c. For schools and school property.
2. No building permit is required for temporary, seasonal fences (e.g. snow fences), or for fences located within agricultural districts when used for the purposes of containing livestock.
  3. No building permit is required for fences constructed in conformance with the provisions of subsection 7(a), above.
  4. All fences shall be properly maintained both as to structure and appearance. The Building Inspector shall have the authority to order the repair of fences. Fences shall be repaired within thirty days of the Building Inspector's order. Failure to comply with the Building Inspector's order shall subject the property owner to the penalties under Section 8 of this ordinance.

**9. Aesthetic Standards for Manufactured Homes**

- a. Manufactured homes, as defined in Section 3 of this ordinance, shall be considered single family detached dwellings for purposes of this Ordinance provided that the manufactured home meets the following minimum aesthetic standards:
  1. Is of multi-sectional design (double-wide or wider) and the enclosed floor area is not less than 1,000 square feet;
  2. Is set on an enclosed foundation in accordance with sec. 70.043(1), Wis. Stats., and subchapters III, IV and V of Chapter IHLR, Wis. Administrative Code, or is set on a comparable foundation system approved by the Building Inspector;
  3. Has a nominal roof pitch of 3 feet in height for each 12 feet of width;
  4. Has a garage or carport with exterior materials and construction matching the manufactured home if 60% of the residences within 1,000 feet of the manufactured home have garages or carports;
  5. Has siding and roofing materials comparable with 60% of the residences within 1,000 feet of the manufactured home. Bare metal siding or roofing materials shall not be considered comparable unless at least 60% of the residences within 1,000 feet of the manufactured home have bare metal siding and/or roofing.

**10. Natural Features Protection**

a. Purpose

These requirements are intended to preserve important geological features, protect against soil erosion and groundwater contamination, preserve the natural beauty of the Town, and protect wild flora and fauna. These requirements shall be in effect in all zoning districts. They shall be applied independently of other applicable requirements contained in this Ordinance. Whenever other requirements of this Ordinance conflict with the requirements of this Section, the more stringent requirement shall govern.

b. Woodlands

Areas or stands of trees whose total combined canopy covers an area of one acre or more and at least 50% of which is composed of canopies of trees having a diameter of breast (DBH) of at least 10 inches, or any grove consisting of 15 or more individual trees having a DBH of at least 12 inches whose combined canopies cover at least 50% of the area encompassed by the grove are woodlands for purposes of this subsection. No trees grown for commercial purposes shall be considered woodlands for purposes of this section. The following rules shall apply to land that meets the definition of woodlands. Exceptions to these restrictions may be granted upon a showing of special needs or circumstances of the landowner.

1. Clearing of trees shall be permitted for building footprints, driveways, and sites for onsite sewage disposal systems. Building footprints may be cleared a distance of 25 feet from the exterior walls of principal buildings and 15 feet from accessory buildings. Selective pruning of remaining trees shall be permitted, provided that 70% of the original canopy is still left intact;
2. Selective pruning of woodlands shall be permitted, provided that 70% of the original canopy is left intact.
3. Clear cutting on contiguous land under single ownership shall be permitted, provided that the clear-cut area not exceed 10 acres of 30% of the woodlands in any 10 year period. An area clear-cut for commercial purposes shall not be converted or developed for another use within 7 years from the date clear cutting was completed, and
4. Other sound forestry practice techniques as defined in Chapter NR 46 of the Wisconsin Administrative Code, as amended, or as recommended by a qualified forester are permitted if designed to protect or enhance the woodlands.

c. Wetlands

It is the intent of the Town to maintain safe and healthful conditions, prevent water pollution, protect wildlife habitat, preserve cover and natural beauty, and control building and development in a manner that minimizes adverse impacts upon Town wetlands. For the purposes of this subsection, "wetlands" are defined in Section 23.32(1) of the Wisconsin Statutes, as amended. The following rules shall apply to wetlands.

1. If the proposed activity is located in a wetland that is regulated by the Fond du Lac County Shoreland Zoning Ordinance, a zoning permit or special use permit must be obtained from the County. A separate Town wetland permit is not required;
2. If the proposed use is located in a wetland that is not regulated under the Fond du Lac County Shoreland Zoning Ordinance, a special exception from the Town is required,
3. All roads in or through wetlands shall be designed and constructed to minimize the adverse impact upon the natural functions of the wetland,
4. Any filling, flooding, draining, dredging, ditching, tilling, or excavating that is to be done for the proposed project must be necessary for the proposed project. Any filling, excavating, ditching, or draining that is to be done must be done in a manner designed to minimize the flooding and other adverse impacts upon the natural functions of the wetlands. Any filling, flooding, draining dredging, ditching, tilling, or excavating must comply with local, state, and federal law, including, but not limited, permitting requirements; and
5. A wetland shall not be rezoned if the proposed rezoning may result in a significant adverse impact upon storm and floodwater storage capacity, filtering, or storage of sediments, nutrients, heavy metals, or organic compounds that would otherwise drain into navigable waters, fish spawning, breeding, or feeding grounds, or wildlife habitat.

d. Drumlins

The purpose of these regulations is to protect the historical value and intactness of drumlins as unique land forms directly shaped by glaciers. The following rules shall apply to drumlins which are at least 25 feet in height and at least 150 feet in length.

1. Drumlins shall not be mined, or in any other way removed, in part or in total, except for customary excavation necessary to construct foundations for permitted buildings or for utilities which serve permitted buildings; and
2. For any lot, the total area of the footprints of all structures placed on a drumlin shall not exceed 10% of the surface area of that portion of a drumlin located on the lot.

## **SECTION 7 – PERMITS**

### **1. Applicability**

No structure and no building shall be erected, constructed, reconstructed, altered, moved or enlarged until a building permit has been obtained from the Building Inspector.

### **2. Application for Building Permit.**

Application for a building permit shall be made in writing upon a form furnished by the Building Inspector and shall include the following information:

- a. Name and address of the owner of the land or the owner of the building or structure if different.
- b. Statement as to the proposed use of the building, structure or land.
- c. Site layout drawn to scale showing the location and dimensions of all proposed buildings, structures or uses, open spaces, yards, and methods to be used for screening shall be included where applicable.
- d. Other information as required by this ordinance or necessary for the Building Inspector to enforce the provisions of this ordinance.

### **3. Building Permit for Unsewered Lands.**

Before issuing a building permit for construction of any building or structure on property not served by a municipal sewage treatment plant, the Building Inspector shall determine that the proposed construction does not interfere with a

functioning private domestic sewage treatment and disposal system. The Building Inspector may require the applicant to submit a detailed plan of the owner's existing private domestic treatment and disposal system. The Building Inspector may not issue a building permit for construction of any building or structure requiring connection to a private domestic sewage treatment and disposal system unless a system satisfying all applicable regulations already exists to serve the proposed building or structure or all permits necessary to install such system have been obtained.

**4. Approval of Building Permit**

If the Building Inspector determines that the proposed building, structure or use will comply with the provisions of this ordinance and all applicable laws and orders of the State of Wisconsin, he shall officially approve and sign one set of plans and return it to the owner, and shall issue a permit which shall be kept on display at the building site. No lawfully issued permit shall remain valid for a period exceeding six months after issuance.

**5. Use as Provided in Application and Plans**

Building permits issued on the basis of plans and applications approved by the Building Inspector authorizes only the use, arrangement, and construction set forth in such approved plans and applications. Use, arrangement, or construction at variance with that authorized shall be deemed a violation of this ordinance.

**6. Prior Permits**

No building permit lawfully issued by the Building Inspector prior to the effective date of adoption or amendment of this ordinance shall be invalidated by the adoption or amendment of this ordinance. Such permit shall remain valid and subsisting subject only to its own terms for a period not to exceed six months after the effective date of adoption or amendment of this ordinance.

**7. Improper Issuance**

A building permit which was improperly issued or not issued in accordance with the standards and procedures as set forth in this ordinance shall not create any right in said permit and the town shall be entitled to revoke said permit.

**SECTION 8 - ENFORCEMENT, REMEDIES, AND PENALTIES**

**1. Building Inspector - Duties and Powers**

The provisions of this ordinance shall be administered and enforced by the Building Inspector who shall be appointed by the Town Board Chairman and confirmed by the town Board. The Building Inspector shall:

- a. Examine all applications for building permits and approve such permits only where there is compliance with the provisions of this ordinance. Permits requiring a special exception shall be referred to the Board of Appeals for action thereon and shall be issued only upon order of the Board of Appeals.
- b. Conduct inspections to determine compliance or non-compliance with the provisions of this ordinance.
- c. Issue stop, cease, and desist orders, and ordered requiring the correction of all conditions found to be in violation of the provisions of this ordinance. Such written orders shall be served personally or by certified mail upon persons deemed by the Building Inspector to be violating the provisions of this ordinance. It shall be unlawful for any persons to violate any such order issued by the Building Inspector.

- d. With approval of the Town Board, or when directed by them institute in the name of the town any appropriate action or proceedings to prevent any violation of this ordinance.
- e. Revoke by order any building permit approved under a misstatement of fact or contrary to the law or provisions of this ordinance.
- f. Maintain a map or maps of all nonconformities and special exceptions and maintain a file on each.
- g. Upon request of the Town Board, Town Board Chairman, or Board of Appeals, present to such persons or bodies facts, records, or reports which they may request to assist them in making decisions, or assist them in any other way as requested.

## **2. Remedies**

In the event any building or structure is or is proposed to be erected, constructed, reconstructed, altered, converted or maintained; or any building, structure or land is or is proposed to be used in violation of this ordinance, or in the event of any other violation of this ordinance, the town or any adjacent or neighboring property owners who would be damaged by such violation may, in addition to other remedies, institute appropriate action or proceedings to prevent, restrain, correct or abate such violation; to prevent the occupancy of buildings or structures; or to prevent any illegal act, conduct, business or use in or about such premises.

## **3. Penalties**

Any person who violates any provisions of this ordinance or any order, rule or regulations made hereunder shall, upon conviction, forfeit not less than twenty-five dollars (\$25), nor more than five hundred dollars (\$500) for each offense, together with the costs of prosecution, and in default of payment of such forfeiture and costs of prosecution, shall be imprisoned in the county jail until

such forfeitures are paid, but not to exceed thirty (30) days. Whenever a person shall have been notified in writing by the Building Inspector that he is in violation of the provisions of this ordinance such person shall commence correction of all violations within seven days after notice, and shall correct all violations within 30 days after notice. If corrections are not commenced within seven days of written notice or not corrected within 30 days of written notice, each day that a violation continues shall be considered a separate offense.

## **SECTION 9 - BOARD OF APPEALS**

### **1. Establishment of Board**

In order that the objectives of this ordinance may be more fully and equitably achieved and a means for interpretation provided, there is established a Board of Appeals (hereinafter referred to as the Board).

### **2. Membership and Terms of Office**

a. Board Members.

The Board shall consist of five members appointed by the Town Chairman and confirmed by the Town Board. The Town Chairman shall designate one of the Board members chairman. The Town Clerk shall serve as Secretary of the Board. Board members shall be removable by the Town Board Chairman for cause upon written charges and after a public hearing.

b. Alternate Members.

The Town Chairman may appoint two alternate members to the Board. Annually, the Town Board Chairman shall designate one of the alternate members as first alternate and the other as second alternate. The first alternate shall act, with full power, only when a member of the Board is absent or refuses to vote because of interest. The second alternate shall act only when the first alternate so refuses or is absent or when more than one member of the Board refuses or is absent.

c. Terms.

Board members shall be appointed to three year terms, except for those first appointed, in which case one member shall serve for one year, two

members for two years and two members for three years.  
Alternate members shall serve staggered terms of two years.

d. Vacancies.

Vacancies shall be filled for the unexpired terms of members whose terms become vacant.

### **3. Procedures, Meetings, Records and Decisions**

a. Procedures.

The Board shall be governed by the provisions of Chapter 62.23(7) of the Wisconsin Statutes, the Zoning Ordinance of the Town of Ashford and the rules and procedures set forth herein, as adopted by the Board and approved by the Town Board. No rule herein shall be changed or waived without the affirmative vote of four members of the Board and the concurrence of the Town Board.

b. Meetings.

Meetings of the Board shall be held at the call of the chairman and at such other times as the Board may determine. Such chairman, or in his absence, the acting chairman, may administer oaths and compel the attendance of witnesses. All meetings of the Board shall be conducted in accordance with the Wisconsin Open Meeting Law.

c. Records and Decisions.

The Board shall keep minutes of its proceedings, showing the vote of each member upon each question, or, if absent or failing to vote, indicating such fact, and shall keep records of its examinations and other official actions, all of which shall be immediately filed as public records. All actions or decisions shall be taken by motion in which three members, present during the proceedings, must concur. Each decision shall contain a statement of the grounds forming the basis of such decision. The chairman shall notify the Town Board and Town Board Chairman of all decisions.

d. Hearing.

Upon filing with the Board of an application for an appeal, variance or special exception, the Board shall fix a reasonable time (not more than 60 days from the filing date) for a hearing. A Class I notice pursuant to Chapter 985 Wisconsin Statutes shall be published in the official newspaper of the town specifying the date, time and place of the hearing and the matters to come before the Board. Notice shall also be mailed to the parties at interest, as determine by the Board.

### **4. Appeals**

a. Powers and Duties.

The Board shall have the power to hear and decide appeals by any person aggrieved or by any officer, department, board or bureau of the town affected by any decision of the Building Inspector. The Board may reverse or affirm, wholly or partly, or may modify the decision appealed from, and issue, or direct the issuance of a permit.

b. Procedure.

An appeal from any decision of the Building Inspector shall be made within 30 days of such decision. The appeal shall be filed with the Building Inspector on a form provided by the Board specifying the grounds for the appeal. The Building Inspector shall forthwith transmit to the Board all the papers constituting the record upon which the action appealed from was taken.

c. Preliminary Review.

The secretary of the Board shall as promptly as possible, inform the Board concerning the appeal, and the Board shall fix a reasonable time for the hearing of the appeal.

If the applicant elects to withdraw the appeal any time before final determination is made by the Board, this fact shall be noted on the application, with the signature of the applicant, attesting withdrawal. Copies of the withdrawn application shall be returned to the secretary for the files of the Board, to the Building Inspector and to the applicant.

If the appeal is not withdrawn, the Board may request the applicant to provide such additional information as may be needed to determine the case and shall instruct the secretary to proceed with public notice of a hearing on the case.

d. Amendments.

Amendment of an appeal by the applicant may be permitted at any time - prior to or during the public hearing, provided that no such amendment shall be such as to make the case different from its description in the notice of public hearing. If the amendment is requested by the applicant after public notice of the hearing has been given, and such amendment is at variance with the information set forth in the public notice the applicant shall pay an additional fee to cover the cost of amending the public notice. If the amended notice can be published within the time frame specified for the public hearing, the hearing on the amended appeal may be held on that date, otherwise the Chairman shall announce that the hearing originally scheduled on the case will be deferred to a future meeting, before which appropriate public notice will be given, and will state the reasons for the deferral.

## 5. **Variances**

### a. Powers and Duties.

The Board shall have the power to authorize upon appeal a variance from the terms of the ordinance where a literal enforcement of the provisions of the ordinance will result in practical difficulty or unnecessary hardship.

### b. Requirements for a Variance.

In general the power to authorize a variance from the requirements of the ordinance shall be sparingly exercised and only under peculiar and exceptional circumstances. No variance shall be granted for actions which require an amendment to this ordinance. Variances shall only be granted when the Board finds that:

1. The variance is not contrary to the public interest and that such variance will be in general harmony with the purposes and intent of this ordinance.
2. Special Circumstances and conditions exist which are peculiar to the land, structure or building involved and which are not generally applicable to other lands, structures, or buildings in the same district.
3. The variance will not permit the establishment of a use which is not permitted in the district.
4. The hardship results from the strict application of this ordinance and is not the result of self-created or self-imposed circumstances.
5. Greater profitability, lack of knowledge of restrictions and other variances granted under similar circumstances are not being considered as sufficient cause for a variance.
6. Nonconforming uses of neighboring lands, structures or buildings in the same district, and permitted or nonconforming uses of lands, structures or buildings in other districts are not being considered as grounds for issuance of a variance.

## 6. **Special Exceptions**

### a. Powers and Duties.

The Board shall have the power to hear and decide special exceptions for any use or structure specified by the terms of this ordinance and for no other use, structure or purpose.

### b. Procedures.

A written application for a special exception shall be filed with the Town Clerk and submitted to the Board of Appeals on a form provided by the Board.

c. Requirements for a Special Exception.

In granting a special exception, the Board shall make findings of fact consistent with provisions of this ordinance. The Board shall not grant a special exception except in conformance with the conditions and standards contained in this ordinance. In addition to the requirements and conditions specified in this ordinance, the Board may impose additional conditions as deemed necessary to insure the proposed use or structure will secure the objectives of this ordinance and promote the public health, safety, comfort, convenience and general welfare. No special exception shall be approved unless the Board shall find:

1. That the establishment, maintenance or operation of the special exception use or structure will not be detrimental or injurious to the use and enjoyment of adjacent properties or properties in the immediate vicinity;
2. That the special exception is compatible with the adjacent existing uses and structures or uses and structures likely to develop which are permitted in the district;
3. That adequate public facilities and services are available to the development;
4. That adequate measures are taken to provide for drainage;
5. That ingress and egress to the property is provided in such a manner as to minimize traffic hazards and congestion;
6. That adequate parking and loading areas are provided.

**7. Appeal of Board Decisions**

Any person or persons, or any board, taxpayer, department or bureau of the Town aggrieved by any decision of the Board of Appeals may appeal such

decision to a court of record in accordance with Chapter 62.23(7),  
Wisconsin Statutes.

## **SECTION 10 — AMENDMENTS**

### **1. Power of Amendment**

The Town Board may from time to time on its own motion or on petition, amend, supplement or change this ordinance, including the Official Zoning Map. 1.

#### a. Referral to Plan Commission.

The Town Board shall refer every proposed amendment to the Plan Commission for a report and recommendation. If the Town Board does not receive a report and recommendation from the Plan Commission within 60 days of submitting the proposed amendments, the Town Board may proceed with the necessary hearing.

### **2. Public Hearing and Notice**

#### a. Required Hearing.

No amendment of this ordinance shall become effective until a public hearing is held before the Town Board where parties in interest and citizens shall have the opportunity to be heard.

#### b. Notice of Hearing.

A Class 2 notice in accordance with Chapter 985 of the Wisconsin Statutes shall be published in the Town's official newspaper once during each of the two weeks prior to such hearing.

At least 10 days before the public hearing, a written notice of such hearing shall also be given to the clerk of any municipality whose boundaries are within 1,000 feet of any lands included in the proposed amendment. Failure to give such notice shall not invalidate such amendment.

### **3. Final Approval by Town Board**

An amendment shall become effective upon a majority vote of the members of the Town Board voting on the proposed change. However, in the case of a protest against such amendment, duly signed and acknowledged by the owners of 20 percent or more of the land alluded in such proposed amendment or by the

owners of 20 percent or more of the area immediately adjacent extending 100 feet therefrom, or by the owners of 20 percent or more of the land directly opposite thereto extending 100 feet from the street frontage of such opposite land, such amendment shall not become effective except by a favorable vote of a majority of the members of the Board.

#### **4. Official Zoning Map Amendments in the FP District**

The Town Board may approve petitions for rezoning areas in the FP District only after findings (in addition to those required by Wis. Stat. § 91.48(1)) are made based upon consideration of the following: adequate public facilities to accommodate development either exist or will be provided within a reasonable time; provision of public facilities to accommodate development will not place an unreasonable burden on the ability of Town to provide them; whether the proposed rezoning and development conforms to the objectives of the Farmland Preservation Plan adopted by Fond du Lac County; and the land proposed for rezoning is suitable for development and development will not result in undue water or air pollution, cause unreasonable soil erosion or have an unreasonably adverse effect on rare or irreplaceable natural resources. The Department of Agriculture, Trade and Consumer Protection shall be notified of all rezonings.

### **SECTION 11 – PLAN COMMISSION**

In order to facilitate on-going land use planning for the town,

#### **1. Establishment.**

There is hereby established a Town Plan Commission, hereinafter "Plan Commission" for the Town of Ashford, Fond du Lac County, Wisconsin.

2. Membership.  
The Plan Commission shall consist of five (5) members and two (2) alternates, all with staggered terms to be set by the Town Board. The members shall be appointed by and serve at the pleasure of the Town Board.
3. Officers.  
The Plan Commission shall hold its organizational meeting during May of each year and at such meeting shall elect from its members a chairman, vice-chairman, and a secretary.
4. Meetings and Proceedings  
The Plan Commission shall meet at the call of the Chairman of the Plan Commission at such place as such call may designate.
5. Compensation.  
The members of the Plan Commission shall be paid such compensation, if any, as fixed from time to time by the Town Board.
6. Quorum.  
A majority of the members of the Plan Commission shall constitute a quorum.
7. Duties.  
It shall be the function of the Plan Commission to:
  - a. Review and make recommendations to the Town Board on all plats, subdivisions, certified survey maps, road dedications, and planned unit developments within the town.
  - b. To develop plans and make recommendations to the Town Board relating to the development of a town land use plan including zoning districts, land use standards, parks, recreational, conservancy and - environmental districts and other matters relating to the proper use and development of lands within the town.
  - c. To develop plans and make recommendations to the Town Board relative to planning and development of the town, including public improvement programs.
  - d. To study and make recommendations to the Town Board on any other matters referred to it by the Town Board.
  - e. To consider all proposed amendment(s) to this ordinance and issue its recommendation regarding the proposed amendment(s) to the Town Board.

8. General Authority.

The Commission shall have general authority to hold public hearings on *any* matters referred to it by the Town Board and to perform any duties which may be performed by a City or Village Plan Commission, insofar as the same are applicable to the town.

9. Records.

The Commission shall keep a full record of all its proceedings and the secretary shall cause a signed copy thereof to be promptly filed with the Town Clerk.

Adopted by the Town Board of Ashford this 24<sup>th</sup> day of August 2015.

- (l) **Air Pollution.** The escape of smoke, soot, cinders, noxious acids, fumes, gases, fly ash, or industrial dust within the limits or within one (1) mile therefrom in such quantities as to endanger the health of persons of ordinary sensibilities or to threaten or cause substantial injury to property.
- (m) **Abandoned Wells.** All abandoned wells not securely covered or secured from public use.
- (n) **Junked Vehicles.** Disassembled, dismantled, partially dismantled, inoperable, junked, wrecked, or unlicensed motor vehicles, truck bodies, tractors, trailers, boats, or campers, exempting farm equipment on land zoned for agricultural purposes, in such state of physical or mechanical ruin as to be incapable of propulsion or of being operated upon the public streets, highways, or waters.
- (o) **Abandoned Equipment.** Abandoned, discarded, or unused objects or equipment such as furniture, stoves, refrigerators, freezers, cans, containers, lumber, trash, or debris.

- (4) **Public Nuisances Offending Morals and Decency.** The following acts, omissions, places, conditions, and things are hereby specifically declared to be public nuisances offending public morals and decency, but such enumerations shall not be construed to exclude other nuisances offending public morals and decency coming within the definition of Subsection 1.00(2) herein:
- (a) **Disorderly Houses.** All disorderly houses, bawdy houses, houses of ill fame, gambling houses, and buildings or structures kept or resorted to for the purpose of prostitution, promiscuous sexual intercourse, or gambling.
  - (b) **Gambling Devices.** All gambling devices and slot machines, other than state-authorized programs.
  - (c) **Unlicensed Sale of Liquor and Beer.** All places where intoxicating liquor or fermented malt beverages are sold without a permit or license as required by law.
  - (d) **Continuous Violation of Town Ordinances.** Any place or premises within the Town where Town or County ordinances, or state laws relating to public health, safety, peace, morals, or welfare, are openly, continuously, repeatedly, and intentionally violated.
  - (e) **Illegal Drinking.** Any place or premises resorted to for the purpose of drinking intoxicating liquor or fermented malt beverages in violation of the laws of the State of Wisconsin or ordinances of the Town.
- (5) **Public Nuisances Affecting Peace and Safety.** The following acts, omissions, places, conditions, and things are hereby declared to be public nuisances affecting peace and safety, but such enumeration shall not be construed to exclude other nuisances affecting public peace or safety coming within the definitions of Subsection 1.00(2) herein:
- (a) **Noise.** All loud and unusual noises or annoying vibrations, which offend the peace and quiet of persons of ordinary sensibilities.
  - (b) **Signs and Billboards.** All signs and billboards, awnings, and other similar structures over or near streets, sidewalks, public grounds, or places frequented by the public, so situated or constructed as to endanger the public safety.
  - (c) **Illegal Buildings.** All buildings erected, repaired, or altered in violations of the provisions of applicable state, federal, or local law.
  - (d) **Unauthorized Traffic Signs.** All unauthorized signs, signals, markings, or devices placed or maintained upon or in view of any public highway or railway crossing which purport to be or may be mistaken as an official traffic control device, railroad sign or signal, or which, because of its color, location, brilliance, or manner of operation, interferes with the effectiveness of any such device, sign, or signal.

- (e) **Obstruction of Intersections.** All trees, hedges, billboards, or other obstructions which prevent persons driving vehicles on public streets, alleys, or highways from obtaining a clear view of traffic when approaching an intersection or pedestrian crosswalk.
- (f) **Tree Limbs.** All limbs of trees which project over a public sidewalk or ditch area of the right-of-way less than ten (10) feet above the surface thereof and all limbs which project over a public street less than fourteen (14) feet above the surface thereof.
- (g) **Dangerous Trees.** All trees which are a menace to public safety or are the cause of substantial annoyance to the general public.
- (h) **Fireworks.** All use or display of fireworks except as provided by the laws of the State of Wisconsin.
- (i) **Dilapidated Buildings.** All buildings or structures so old, dilapidated, or out of repair as to be dangerous, unsafe, unsanitary, or otherwise unfit for human use.
- (j) **Wires over Streets.** All wires over streets, alleys, or public grounds which are strung less than fifteen (15) feet above the surface thereof.
- (k) **Noisy Animals or Fowl.** The keeping or harboring of any animal or fowl which, by frequent or habitual howling, yelping, barking, crowing, or making of other noises shall greatly annoy or disturb a neighborhood or any considerable number of persons within the Town.
- (l) **Obstruction of Streets: Excavations.** All unlawful obstructions of streets, alleys, sidewalks, or crosswalks and all unlawful excavations in or under the same, or which, although made in accordance with applicable law, are kept or maintained for an unreasonable or illegal length of time after the purpose thereof has been accomplished.
- (m) **Open Excavations.** All open and unguarded pits, wells, excavations, or unused basements accessible from any public street, alley, or sidewalk.
- (n) **Abandoned Refrigerators.** All abandoned refrigerators or iceboxes from which the doors and other covers have not been removed and which are not equipped with a device for opening from the inside.
- (o) **Flammable Liquids.** Repeated or continuous violations of this Code or the laws and regulations of the State of Wisconsin relating to the storage of flammable liquids.
- (p) **Un-Removed Snow.** All snow and ice accumulating on public sidewalks not removed or sprinkled with ashes, sawdust, sand, or other chemical removers.

- (q) **Appliances and Junk.** Any junk, wood, bricks, construction materials, cement, concrete blocks, abandoned vehicles, machinery or parts thereof, refrigerators, furnaces, washing machines, stoves, and other appliances or any other unsightly accumulation of items or materials such as may tend to depreciate property values in the area, or create a blighted condition, or create a hazard (except when such items are properly housed and out of public view).
  - (r) **Unauthorized Street Use.** Any unauthorized or unlawful use of property abutting on a public street, alley or sidewalk of a public street, alley, or sidewalk which causes large crowds of people to gather, obstructing traffic and free use of the streets or sidewalks.
- (6) **Penalty.** Any person violating the provisions of this Section will be subject to forfeiture not less than fifty dollars (\$50.00) and not more than five hundred dollars (\$500.00). Any person subject to forfeiture under this section must also pay the costs of prosecution. Each day of violation shall constitute a separate offense. In addition to the penalties herein provided, appropriate legal or equitable action may be commenced to enjoin any person from violating any of the provisions of this Section.
- (7) **Abatement of Public Nuisances**
- (a) **Inspection of Premises.** Whenever a complaint is made to a member of the Town Board that a public nuisance exists within the Town, the Town Board shall inspect or cause to be inspected the premises complained of.
  - (b) **Notice to Owner.** If the Town Board determines that a public nuisance exists within the Town, it shall provide notice to the person causing, permitting, or maintaining such nuisance or the owner or occupant of the premises where such nuisance exists. The notice shall direct the person causing, permitting, or maintaining the nuisance or the owner or occupant of the premises, to abate or remove such nuisance within three (3) days. The notice shall also state that unless such nuisance is so abated, the Town shall cause the same to be abated and will charge the cost thereof to the owner, occupant, or person causing, permitting, or maintaining the nuisance, as the case may be.
  - (c) **Abatement by Town.** If the nuisance is not abated within the time provided or if the owner, occupant, or person causing the nuisance cannot be found, the Town shall cause the abatement or removal of such public nuisance.
  - (d) **Abatement by Court Action.** If the Town shall determine that a public nuisance exists on private premises but that the nature of such nuisance is not such as to threaten immediate danger to the public health, safety, peace, morals, or decency, the Town may cause an action to abate such nuisance to be commenced in the name of the Town.
  - (e) **Other Methods not Excluded.** Nothing in this Section shall be construed as prohibiting the abatement of public nuisances by the Town or its officials in accordance with the laws of the State of Wisconsin.

- (8) **Cost of Abatement.** In addition to any other penalty imposed by this Code for the erection, contrivance, creation, continuance, or maintenance of a public nuisance, the cost of abating a public nuisance by the Town shall be collected as a debt from the owner, occupant, or person causing, permitting, or maintaining the nuisance. Such cost shall be assessed against the real estate as a special charge if not paid in 30 days.

## 1.01 JUNKED MOTOR VEHICLES

### (1) Definitions

- (a) "Person" means any person, firm, partnership, corporation, association, company, or organization of any kind that owns or leases real estate in the Town.
- (b) "Vehicle" means a machine propelled by power other than human power and shall include without limitation automobiles, trucks, ATV, snowmobile, and motorcycles, whether operable or inoperable.
- (c) "Street and highway" means the entire width between the boundary lines of every way publicly maintained when any part thereof is open to the use of the public for purposes of vehicular travel.
- (d) "Property" means any real property within the Town which is not a street or highway.

- (2) **Nuisance Vehicles.** No vehicle shall be allowed to remain outside a closed building upon public or private property within the Town for a period in excess of one month unless it is in connection with a duly authorized business enterprise in a properly zoned area.

- (3) **Abandonment of Vehicles.** No person shall abandon any vehicle within the Town, and no person shall leave any vehicle at any place within the Town for such time and under such circumstances as to cause such vehicle to appear to have been abandoned.

- (4) **Wrecked Vehicles on Street.** No person shall leave any partially dismantled, non-operating, wrecked, or junked vehicle on any street or highway within the Town.

### (5) Enforcement

- (a) **Public Property and Streets.** If any Town Board member or peace officer finds any vehicle placed or stored upon public property or on a public street or highway in violation of this Section, such vehicle shall be removed to a junk or salvage yard and stored there for 30 days or until claimed by the owner, whichever is sooner. Unclaimed vehicles shall be disposed of in accordance with state law.

(b) **Private Property**

1. If any Town Board member or peace officer finds any vehicle placed or stored upon private property in violation of this ordinance, the owner of such property shall be given notice by certified mail to remove the same within seven (7) days of delivery of said notice. If such vehicle is not removed within the time specified, the Town Board member or peace officer shall issue a violation notice to the owner of the property upon which the vehicle is placed or stored.
2. The owner of any property on which a vehicle is stored or permitted to remain in violation of this ordinance, as well as the owner of the vehicle, shall be jointly and severally liable for violations of this Section.

(6) **Penalty.** Any person violating the provisions of this Section will be subject to forfeiture not less than fifty dollars (\$50.00) and not more than five hundred dollars (\$500.00). Any person subject to forfeiture under this section must also pay the costs of prosecution. Each day of violation shall constitute a separate offense. In addition to the penalties herein provided, appropriate legal or equitable action may be commenced to enjoin any person from violating any of the provisions of this Section.

**SEX OFFENDER RESIDENCY ORDINANCE**

The Town Board of the Town of Ashford, at a duly-noticed public meeting with quorum present and voting, hereby ordains the following:

**Section 1: Recitals.**

The Wisconsin Statutes, including Chapters 940, 944, and 948 thereof, govern the punishment of individuals who commit sex crimes. The Wisconsin Statutes also govern the release into the community of such individuals. The Town is responsible to maintain the public health, safety, and welfare and finds that sex offenders have high recidivism rates that threaten the public health, safety, and welfare, especially that of children.

**Section 2: Purpose.**

The purpose of this Ordinance is to protect the public health, safety, and welfare in the Town of Ashford by regulating the residency of sex offenders.

**Section 3: Definitions.**

- (a) Sex Offender. A person who has been convicted of, has been found delinquent of, or has been found not guilty of by reason of disease or mental defect of a Sexually Violent Offense or a Crime Against Children.
- (b) Sexually Violent Offense. Shall have the meaning set forth in Wis. Stat. § 980.01(6).
- (c) Crime Against Children. Shall mean any of the following offenses set forth in the Wisconsin Statutes, as amended, or in the laws of this or any other state or the federal government having like elements necessary for conviction, respectively:

  - (4) A public library.
  - (5) A public playground.
  - (6) A public athletic field used by children.
  - (7) A residential care center for children.
  - (8) A public swimming pool.
- (b) For purposes of this section, distance is to be measured in a straight line from the closest boundary line of the real property upon which the Sex Offender's residence is located to the closest boundary line of the real property of the applicable use.

**Section 5: Residency Restriction Exceptions.**

A Sex Offender residing within an area otherwise prohibited by Section 4 does not commit an offense if any of the following apply:

- (a) The person is required to serve a sentence at a jail, prison, juvenile facility, or other facility located at the otherwise prohibited location.
- (b) The person had established a Residence, as defined in Section 3 above, at the location prior to the effective date of this Ordinance.

- (c) The use enumerated in Section 4 was established after the Sex Offender established a residence at the location and registered that residence as required by law.
- (d) The Sex Offender is a minor or ward under guardianship.

**Section 6: Safety Zones.**

No Sex Offender may enter or be present on any real property upon which there exists any facility used for or which supports the use of:

- (a) A school for children.
- (b) A public park, park facility, or pathway.
- (c) A daycare licensed by the State of Wisconsin.
- (d) A public library.
- (e) A public playground.
- (f) A public athletic field used by children.
- (g) A residential care center for children.
- (h) A public swimming pool.

**Section 7: Safety Zone Exceptions.**

A Sex Offender present in an area otherwise prohibited by Section 6 does not commit an offense if any of the following apply:

- (a) The property supporting a use enumerated in Section 6 also supports a church, synagogue, mosque, temple, or other house of religious worship, subject to the following conditions:
  - (1) Entrance and presence on the property may occur only during hours of worship or other religious program or service.

- (2) The person may not participate in any religious education programs that include individuals under the age of 18.
- (b) The property supporting a use enumerated in Section 6 also supports a use lawfully attended by the Sex Offender's natural or adopted child or children, which child's use reasonably requires the attendance of the Sex Offender, provided that entrance and presence on the property occurs only during hours of activity related to the use by the child or children.
- (c) The property supporting a use enumerated in Section 6 also supports a polling location in a local, state, or federal election, subject to the following conditions:
  - (1) The Sex Offender is eligible to vote.
  - (2) The polling location is the designated polling location for the Sex Offender.
  - (3) The Sex Offender casts his or her ballot with whatever usual and customary assistance is available and vacates the property immediately after voting.
- (d) The property supporting a use enumerated in Section 6 also supports a school lawfully attended by the Sex Offender as a student, provided that the Sex Offender may only remain on the property at such times that are reasonably required for his or her educational purposes.
- (e) The property supporting a use enumerated in Section 6 also supports a police station, Town Hall, or other governmental building, provided that the Sex Offender vacates the property immediately after completing the activity that required his or her presence at the property.

### **Section 8: Original Residency Restriction.**

In addition to the other residency restrictions set forth herein and subject to the limitations in Section 5, no Sex Offender may establish a residence in the Town of Ashford unless he or she was a resident of Fond du Lac County at the time of the most recent offense resulting in the person's most recent conviction, commitment, or placement as a Sex Offender. This limitation shall not apply to the establishment of a residence at a dwelling that is owned by a member of the Sex Offender's family at the time the Sex Offender establishes residence therein. For purposes of

this section, a member of a Sex Offender's family means the Sex Offender's mother, father, brother, sister, child, or grandparent.

**Section 9: Rental of Property for use by Sex Offenders.**

No person may rent any place, structure, or part thereof with knowledge that it will be used as a residence by any Sex Offender that is prohibited from establishing residence therein by this Ordinance.

**Section 10: Enforcement.**

A person violating this Ordinance shall be subject to forfeitures in an amount of not less than \$200 nor more than \$500 for each violation plus the costs of prosecution (including reasonable attorneys' fees). For purposes of calculating forfeitures, each day that a violation exists shall constitute a separate offense. Violations of this Ordinance are also deemed public nuisances, and the Town may bring an action in circuit court to enjoin or abate any violation.

**Section 11: Severability.**

The terms and provisions of this Ordinance are severable. Should any term or provision of this Ordinance be found invalid by a court of competent jurisdiction, the remaining terms and provisions shall remain in full force and effect, or, to the extent permitted by law, the court is authorized to substitute an alternative term or provision for the invalid term or provision.

**Section 12: Rules of Construction.**

In the construction of this Ordinance, references to the singular include the plural. References to "person" extends to natural persons, firms, corporations, partnerships, limited liability companies, or other entities.

**Section 13: Effective Date.**

This ordinance shall be effective upon its adoption and publication.

# TOWN OF ASHFORD

## Ordinance # 84-1

### REQUIRING DOG LICENSE AND RABIES VACCINATION

THE TOWN BOARD OF THE TOWN OF ASHFORD, FOND DU LAC, WISCONSIN, does ordain as follows:

#### SECTION 1 – DOG LICENSE

It shall be unlawful for any person to own or harbor or have in his possession, any dog of an age of more than six months on January 1<sup>st</sup> of any year for which a license has not been obtained. Upon presentation of proof that the dog is currently immunized against rabies and upon payment of the required license fee, the collecting official of the Town shall issue to the owner a receipt and a tag and keep a record thereof.

#### SECTION 2 – LICENSE FEES

The annual license fees are as follows:

**\$8.00** – each male or female dog

**\$3.00** – each neutered male or spayed female dog

#### SECTION 3 – TERM OF LICENSE

Each dog license shall be obtained within thirty (30) days of the date such dog becomes **six** months of age and shall expire on December 31 of each year.

#### SECTION 4 – LATE FEES

The collecting official shall assess and collect a late fee of **\$5.00** from every owner of a dog **six** months of age or over, if the owner failed to obtain a license prior to April 1 of each year, or within thirty (30) days of acquiring ownership of a licensable dog.

#### SECTIONS 5 – TAGS REQUIRED

No owner shall allow his dog to be at large or under control of any person, without a collar containing a license tag. The requirement of the dog wearing tags does not apply to dogs while in training, while hunting, to a dog confined indoors, or securely confined in a fenced area.

#### SECTION 6 – KENNELS

The term “KENNEL” means any establishment where dogs are kept for the purpose of breeding, boarding, sale, or for sporting purposes. Any person harboring, or having in his possession more than three dogs of an age of six months or more that are kept for the purpose of breeding, boarding, sale, or sporting purposes shall be presumed as operating a dog kennel within the meaning of this ordinance.

Any person who operates a kennel shall obtain a kennel license annually at a fee of **\$35.00**, for a kennel of twelve (12) or fewer dogs, and an additional **\$3.00** for each dog in excess of twelve (12).

Upon payment of the required kennel license fee, proof that all dogs over six months of age are currently immunized against rabies must be shown or recorded for the collecting official.

An annual inspection of kennels operating in the Town of Ashford may be made by the Town Officials for the purpose of compliance with licensing, rabies, control, and other Wisconsin state statutes on animal rights and Fond du Lac County and Town of Ashford ordinances.

### **SECTION 7 – BARKING DOGS**

It shall be unlawful for any person to keep or harbor within the limits of the township, any dog which frequently or habitually barks, whines, or howls.

### **SECTION 8 – DOGS AT LARGE**

It shall be unlawful for the owner or keeper of any dog to permit such dog to enter and roam on the premises of another, unless accompanied by the owner or keeper, and owner or keeper has obtained permission to enter on the property.

### **SECTION 9 – ENFORCEMENT**

The enforcement of this ordinance shall be carried out by the Fond du Lac County Sheriff's Department or any peace officer. If the identity and ownership of the offending dog can be determined, the Fond du Lac County Sheriff's Department or peace officer shall inform the owner or keeper of such transgressions. This shall not limit the authority of the Fond du Lac County Sheriff's Department or any peace officer to impound the dog or to prosecute such owner or keeper as herein provided.

### **SECTION 10 – IMPOUNDMENT**

Any dog impounded pursuant to this ordinance must be licensed in the Town before it can be released. The Town or County records shall be used to determine if the dog is licensed. The owner claiming his or her dog shall be charged any and all costs for the board of said animal during the time it is impounded, including the cost of a rabies vaccination and tag, if no evidence of prior vaccination is produced.

### **SECTION 11 – INTENT**

It is the intent of this ordinance to protect the citizens from the ravages and damages caused by dogs, particularly those dogs owned or kept by people; who fail to respect the rights of others. It is not the intent of this ordinance to penalize anyone whose dog may for the first time and without their knowledge, cause a disturbance.

### **SECTION 12 – PENALTY**

Any person, firm, or corporation who or which shall violate any of the provisions of this Ordinance shall be subject to a forfeiture of an amount not less than **\$5.00** nor more than **\$200.00**, together with the cost of prosecution. Each day of violation of any provision of this Ordinance shall constitute a separate offense.

# All-Terrain Vehicle Route

## TOWN OF ASHFORD, Fond du lac County

AN ORDINANCE DESIGNATING ALL-TERRAIN VEHICLE ROUTES AND REGULATING  
THE OPERATION OF ALL-TERRAIN VEHICLES

### **Section I - Intent**

The Town of Ashford, Fond du lac County adopts the following all-terrain vehicle route for the operation of all-terrain vehicles upon all township roads. Following due consideration of the recreational value to connect trail opportunities and weighed against possible dangers, public health, liability aspects, terrain involved, traffic density and history of automobile traffic, this ordinance has been created

### **Section II - Statutory Authority**

Open usage of township roads is done pursuant to township authority as authorized by 23.33 (8) (b), Wis stats. The applicable provisions of 23.33 regulating ATV/UTV operation pursuant to routes are adopted.

### **Section III - Routes**

All township roads will be open to ATV/UTV usage unless otherwise posted.  
All county and state roadways posted 35mph or less will be open to ATV/UTV usage as authorized under Wis. Stat. s. 23.33(11)(am)4 unless otherwise posted.

### **Section IV - Conditions**

As condition for use of township roads, the following conditions shall apply to all operators (and passengers);

- A. All ATV/UTV operators shall observe posted speed limits
- B. No person under 18 years of age may operate or be a passenger on an ATV/UTV without wearing protective headgear of the type required under s. 347.485(1)(a) and with the chin strap properly fastened, except as specifically exempted under s. 23.33(3g)(b, c and d) Wis. Stats
- C. All ATV/UTV operators under 16 years old must be in direct verbal supervision of a parent or legal guardian when operating on a designated all-terrain vehicle route.
- D. Operation of ATVs and UTVs on roadways designated as ATV/UTV Routes are authorized only for the extreme right side of the roadway, on the paved surface (if the roadway is paved), except that left turns may be made from any part of the roadway that is safe given prevailing conditions.
- E. Approved hand signals are required whenever the operator intends to direction if vehicle is not equipped with turn signals.
- F. All ATV/UTV operators shall ride single file.
- G. The operator of an ATV/UTV shall obey all traffic laws, Local ordinances and DNR Regulations
- H. The operator of an ATV/UTV shall display a lighted headlamp, tail lamp and working brake light on the ATV/UTV and display the registration license plate at all times.
- I. All roads must be signed in accordance with NR 64.12, and NR 64.12 (7)

- J. ATV/UTV operation is at the risk of the operator. The TOWN OF ASHFORD has no liability for any damage or injury to persons, real property or personal property, arising out of the operation of ATVs and UTVs on designated ATV/UTV Routes under s. 895.52 (1)(d)(g) Wis. Stats
- K. Routes are open year round.
- L. On all roads shared with another jurisdiction the most restrictive Ordinance shall apply.
- M. The Town reserves the right to open or close routes by a simple Board motion

**Section V - Enforcement**

This ordinance shall be enforced by any law enforcement officer authorized to enforce the laws of the State of Wisconsin.

**Section VI - Penalties**

Wisconsin State All-Terrain Vehicle penalties as found in s. 23.33 (13) (a) Wis Stats., are adopted by reference.

**Section VII - Severability**

The provision of this ordinance shall be deemed severable and it is expressly declared that the Township would have passed the other provisions of this ordinance irrespective of whether or not one or more provisions may be declared invalid. If any provision of this ordinance or the application to any person or circumstances is held invalid, the remainder of the ordinance and the application of such provisions to other persons or circumstances shall not be deemed affected.

**Section VIII - Effective Date**

This ordinance becomes effective upon passage and publication.
